Obituary of Sandra Louise 'Sandie' (Tweeddale) Ihrig, ID = 133841116

(Partially copied from an obit found online at the website of Cascade Memorial.)

Sandra Louise (Tweeddale) Ihrig

Sandie was born in Wenatchee, Washington, on October 21, 1950, the daughter of Ed and Betty Tweeddale. She passed peacefully at her Redmond, Washington home at 3:30 AM, on July 8, 2017, in the presence of her husband…

Raised in Everett, Washington, educated in Everett schools, and lovingly influenced by her parents, extended family, community, and membership in the 1st Baptist church, Sandie was a smart, intelligent woman, appreciated for her honesty, kindness, generosity, charity, and loving spirit.

A career US government employee, she worked in Stratcom, Federal Fish and Wildlife, Federal Aviation Administration (FAA), US Postal Service (USPS), and finally the Centers for Medicare/ Medicaid Services (CMS). Sandie was widely known and valued for her knowledge base and willingness to help others; both by her agency teammates and especially by many frustrated citizens lost in the intricacies of government regulations. She relished this aspect of her duties, and providing help gave her the greatest job satisfaction. She was so driven to this service, that reluctantly, she was forced to concede defeat due to her failing health, and only then, did she finally retire on April 30, 2016.

Sandie is survived by her husband… daughter… sons… grandsons…granddaughters… great grandson… and sister… She was preceded in death by her parents, Betty (2013), and Ed Tweeddale (2015).

Sandie's greatest love and concern was for children, both her own, and on occasion, those who lost their guiding star. She wept for the children who were lost to their families, and so opened her heart, her purse and at times her home to those who needed shelter, care, and a chance to regain their footing. She will be sorely missed by all her family, both by her bloodline and those bestowed by God to her care.

Inurnment services will be held at Tahoma National cemetery where Sandie and… will eventually be reunited, and then together again, wait to be gathered unto Christ.

A memorial for Sandie will be held at the Lytle house in Bothell Landing park, Bothell Washington, August 13, 2017 at 12 PM to 2:30 PM. In lieu of flowers, the family has requested donations be made to the American Cancer Society in her name.

Evelyn C. Norris
March 7, 1928 March 20, 2011

We mourn the loss of our loving mother and grandmother, who passed away March 20, 2011 at the Hospice & Palliative Care.

Evelyn will be remembered as a charming spirited woman. She always put others in front of herself and gave with the whole of her heart. She collected things, made notes of memories and was always eager to talk and share stories so she would have something to share with everyone she loved. At the end of each day we all have regrets. We wish would have done a little more or gave a little more. In the words of John Burroughs, "I still find each day too short for all the thoughts I want to think, all the walks I want to take, all the books I want to read, and all the friends I want to see". But our lovely departed never took a day for granted. So for all she gave she will forever live within our hearts.

She is survived by two daughters… and two sons… 14 grandchildren; 20 great grandchildren, and four great great grandchildren.

Services will be on March 24 at 10:00 a.m. at Callahan-Edfast Mortuary. In lieu of flowers please make memorial contributions to Hospice & Palliative Care.

BISBEE MAN KILLED

BISBEE, Aug. l. - (AP) - Cecil Connelly, 35 years old, operator of a Bisbee hotel, died in a hospital here today of injuries suffered when the automobile he was driving and a vehicle piloted by R. W. Mayne, local mining man, on the Naco highway, collided.

It was the 121st fatality resulting from motor vehicle accidents in Arizona since January 1.

Connelly, who was returning from Naco, lost control of his car, investigators reported, as he attempted to round a sharp turn in the road, and his and Mayne's machines collided.

Investigating deputies said Mayne, who was en route to his mining claims in Don Luis, Sonora, almost drove off the highway in an unsuccessful effort to avoid the collision.

Connelly suffered fractured skull and concussion of the brain. He recovered consciousness 15 minutes before he died.

Frank Ash, deputy sheriff, said the two cars collided with a terrific impact.

James CALDWELL

Former Goodland City Councilman and area businessman James Maxwell Caldwell, 90, died at the Northwest Kansas Regional Medical Center in Goodland, Jan. 1, 1994. He had been a patient for the past six weeks. Jim had been in ill health for the past two years.

James Caldwell, better known around Goodland as Jim, was the owner of Caldwell's Inc. as well as other enterprises in Colby, Burlington, St. Francis and Benkelman, Neb. He had also been in the furniture and housing business in Goodland. He had managed his operations for 62 years before ill health forced him to retire in 1990.

Jim was born in Osgood, Mo., June 18, 1903 the son of Arthur and Grace Shull Caldwell. As a young boy, he attended various schools, including Glen Elder and Goodland. He came to Goodland with his parents in 1918. He went to work for the Goodland Power and Light Plant while still in high school where he learned much about wiring and electricity. On June 30, 1923, Jim married Erma Alice Nye in Burlington, Colo. In April of 1928, Caldwell opened his own appliance store and wiring service with which he was now very familiar. To his credit as an electrical contractor are several of Goodland's best town buildings, Sherman Theater, Goodland Hotel, First National Bank, Sherman County Courthouse, and many others. As his business continued to grow, more of his family was becoming involved in the operations. It was its family operation that brought pleasure to Caldwell, knowing that his children and in-laws were involved.

He received recognition for hiring a wheel chair-bound man, and was honored by the Governor's Committee on Employment of the handicapped in an observance that was national in scope. Jim's philosophy is a generous one; "a person can make it if he is willing to try and to work hard." His is a past Goodland City Councilman, member of the Goodland Elks #1528, Moose lodge, and VFW Post #1133. He was given the Employer of the Year in 1988 by the Goodland Area Chamber of Commerce. He is a member of the First United Methodist Church in Goodland.

One of his loves was traveling, winning many trips through his various companies, taking Jim and Erma to many foreign countries. Erma died in March of 1991.

He was one of the most colorful businessmen in Goodland and a real institution. The people of Goodland will miss his wit and seeing the "boss" with his cigar, (his trademark) when shopping at Caldwell's.

He is survived by daughter Shirley Sue Peters of Goodland; sons J. Richard Caldwell of Goodland and Donald A. Caldwell of Burlington; 9 grandchildren and 17 great-grandchildren, sister hazel Mann of Goodland; brother Wayne Caldwell of Fullerton Calif.

He is preceded in death by his parents, wife and one daughter Peggy.

Funeral services have been scheduled for Wednesday Jan. 5, 1994 at 10:30 a.m. at the First United Methodist Church in Goodland. Rev. Gene Tromble will officiate.

Burial will follow in the Goodland Cemetery.

Memorial contributions will be used for the Northwest Kansas Regional Medical Center in Goodland. These may be left at Koons Chapel or the hospital.

Friends may pay their respects on Tuesday from 1 until 8 p.m. and before services on Wednesday.

Grandpa Connelly Dead

The news of the death of Grandpa Connelly, father to J. R. Connelly, editor of the Colby Free Press, brought sadness to his many friends of this locality. His body was shipped up from Meriden Kansas where he had died and after a funeral conducted by Rev. Harrington, was lain to rest in the Menlo cemetery beside his loving wife who had preceded him to the great beyond.

The following short sketch of his life was handed to us.

Arthur Connelly

Was born in Putnam County, Indiana, September 16th, 1834, died at the home of his youngest daughter, Mrs. John Carden, on Tuesday January 2nd 1912.

He was united in marriage to Sarah Jane Manor [sic] on March 14, 1861, to this union was born five children: two girls, Mrs. T. J. Upchurch and Mrs. John Carden, both of Meriden, Kansas; three sons, W. E. Connelly of Medical Lake, Washington, J. R. and James of this County.

He was converted and united with the Methodist Church in his early manhood and for many years was active in church work. In his last illness he expressed a desire to live but said if it was God's will he was ready. His only request was that he be brought to Menlo and laid away in the cemetery here beside mother who died November 2nd 1899.

He loved to live, he loved his family and friends. He bore malice toward no man. As he neared the river of death he said he would soon be with mother where sorrow and parting will be no more.

May he find that rest and peace on the other side.

Father Gone.

We are called upon this week to chronicle the death of our father whose serious illness we spoke of in our last weeks issue. He died at the home of his youngest daughter, Mrs. John Carden near Meriden, Kansas. He was born in Putnam county, Indiana on Sept. 16, 1834, was married to Sarah Jane Manar at Mound City, Kansas on March 14, 1861. They moved to Brown county Illinois that year and there their children five in number, three boys and two girls were born. In 1883 they moved to Thayer county, Nebraska and in 1887 settled on their homestead thirteen miles east of Colby. Mother died November 2, 1899 since when he has made his home with his children. He was converted in his early life and for many years was active in church work. In his last sickness a week ago when it became apparent to him that he could not live but a short time he called his children to his bedside and told them that he would soon be with mother and asked that he be brought back to the Menlo Cemetery and laid by her side. He was permitted to live a long life as compared to the average span of life. He enjoyed living, he loved his family, he loved his friends, he bore malice toward none. He never forgot a favor or remembered a wrong done him.

He leaves two daughters, Mrs. T. J. Upchurch and Mrs. John Carden both of Meriden, Kansas. Three sons, Will who lives at Medical Lake Washington, Jim who resides at Gem in this county and the writer. He has one brother living in Oklahoma and a sister in Indiana.

The above clipping was taken from the Free Press, Colby, Kansas. Grandpa Connelly was the father of J. R. Connelly, editor and publisher of the Colby paper. Mr, and Mrs. Jno Carden and Mrs. T. J. Upchurch accompanied the body of Mr. Connelly to Menlo last Wednesday morning. Obituaries of Sarah Jane (Manar) Connelly, ID = 133a

(Transcribed by Roger R. Connelly from a photocopy of the original article in The Colby Free Press, Colby, KS, 9 November 1899, provided to me by the Thomas County Historical Society.)

Sarah Jane Manar was born Mar. 4, 1844, in the state of Kentucky and moved to Linn county, Kansas, in '59, was married to Arthur Connelly on March 14, 1861, and moved to Brown county, Ill., the same year where they resided until 1883 when they moved to Thayer county, Nebr., where they resided until 1887 and then moved to Thomas county, Kansas, and remained here until the death angel called her home Nov. 2, 1899. Sister Connelly was converted and united with the church at the age of 14, and has always been a humble, consistent and devoted worker in the church and will be greatly missed in her home and in her community in which she has lived. She raised five children, all of whom are members of the church but one. During her last hours on earth she said she was perfectly reconciled and ready to go into that house not made with hands, but had one desire to live until all her family had become God's children. She leaves a loving and devoted husband [and] five children to mourn her loss. All of which have the entire sympathy of the neighbors and friends in this their sad hour of bereavement. One sentenced [sic] is all that is needed to describe her home life, and that is: She always made home happy and cheerful. The funeral services were conducted by the writer, pastor of the M. E. church at Colby, on Sunday, Nov. 5. A large concourse of people followed her to her last resting place.

Obituary of Thomas Jefferson 'T.J.' Upchurch , ID = 133a1

(Transcribed by Roger R. Connelly from the original article, in an unnammed & undated newspaper, submitted to me by Marvin Upchurch, Mountain Home, AR.)

OLD PIONEER PASSES ON

The funeral of T. J. Upchurch, a former resident of Thomas county, was held at Menlo, Monday. Rev. W. H. Robb delivered a very comforting sermon.

Thomas Jefferson Upchurch was born in Pike county, near Buckhorn, Ill., Feb. 23, 1852, and died at his home in Meriden, Thursday, Dec. 22, 1938, at the age of 86 years, 9 months and 29 days.

He was the third son of eleven children born to Mary and Wesley Upchurch. He grew to manhood in and near Buckhorn, and was married to Dora A. Connelly, June 8, 1879.

To this union were born six children, who are: Mrs. Martha Peebler, Jacksonville, Fla.; George W. Upchurch, Colby; Arthur Upchurch, Menlo; and Ray C. Upchurch, Topeka. Two sons, Orval Thomas and Charles Woodruff, precede him in death. Mr. Upchurch has four sisters living, six grandchildren, and five great-grandchildren.

Mr. and Mrs. Upchurch lived near Mt. Sterling, Ill., on a farm, until October of 1873. The lure of the West was adequate to prompt them to move to Thayer county, Neb., living there until March 1888. Then Mr. and Mrs. Upchurch moved with their two small children, Orval and Arthur, to Thomas county, and settled on a farm two and one-half miles east of Colby. In the fall of 1888, they moved to their homestead six miles west of Menlo, where they lived and reared their children.

In the spring of 1909, Mr. and Mrs. Upchurch moved to a farm near Meriden, known as the Geer property, later moving to their present home where they have lived for twenty-eight years.

Mr. and Mrs. Upchurch were spared to enjoy their fifty-ninth wedding anniversary last June 8, and all their children living were present at the home to enjoy this grand event with them.

"T. J.," as he was known, was a good provider, no one ever came to his home without being given his meal if it were near meal time. As we are told-"cast your bread upon the water, and it shall return." He was known for his honesty and fellowship by all that knew him.

He loved his children all of them - his happiest moments were when they were visiting in the family home. He loved his grandchildren dearly - hours upon hours were spent entertaining them in his kind and loving way. And, these young men realize they have lost a friend that is priceless.

Mr. Upchurch was baptized in the Baptist church in Mt. Sterling - later he became affiliated with the Christian church. He believed in the following quotation found in St. John 5-24: "Verily, verily, I say unto you, he that heareth My word, and believeth on Him that sent Me, hath everlasting life, and shall not come into condemnation but is passed from death into life" - and so with the reading of these words closes a resume of the life of another pioneer.

(Note by RRC: I suspect "precede" should be preceded.)

J. R. CONNELLY SUCCUMBS AFTER LONG ILLNESS

Hundreds Attend Funeral Services at Methodist Church

Hundreds of friends and neighbors of John Connelly packed the Methodist church today to hear words of tribute and respect spoken at the funeral services of this good man. He had passed away early Monday morning at St. Josephs Hospital in Concordia where he had gone for treatment for a serious foot ailment which had been slowly sapping his strength for several months. His condition became critical by the last of the week and the end came quickly.

The funeral service was conducted by Rev. W. H. Robb who was assisted by Rev. T. S. Knoles. A mixed quartet composed of Mrs. Walter Chance, Mrs. Harold Sloan, Mr. E. O. Graper and Mr. E. F. Beckner sang three songs. Mrs. Claude Connelly sang a solo number, "The Old Rugged Cross," which was one of Mr. Connelly's favorite songs.

The words of tribute and respect heard at the church today will not be the last that will be spoken of John Connelly for his estimable accomplishments, his kindly nature and good character are firmly imprinted upon the annals of this county and of this state. Thousands of words would be inadequate to describe this fine gentleman who pioneered in Thomas county, who by hard work attained a fair share of this world's goods and accomplishments, and who when his end came had a warm place in the hearts of everyone in this community.

The Colby Free Press - Tribune is grateful to John Connelly, for it was he who brought the paper, as its owner and editor, through the troublesome years early in this century. He spent over twenty years at the helm of this paper and its files are full of his work and his thought. The heritage of public service he laid for the paper is being humbly followed.

Following the church services, a Masonic ceremony was conducted at the Beular [sic] Cemetery where the body was laid to rest.

John Robert Connelly was born near Camp Point, in Brown County, Illinois, February 27, 1870, the son of Arthur and Sarah Jane Connelly. He died September 9, 1940, in St. Josephs hospital at Concordia, Kansas, age 70 years, 6 months and 10 days.

In 1883 he moved with his parents to Thayer county, Nebraska. In the spring of 1887 his parents moved to a homestead near Menlo, Thomas county, Kansas. He remained in Nebraska working on a farm, sending his wages to help his folks get started in the new country until the spring of 1888 when he came to Thomas county, Kansas, to make his home and where he resided until his death.

On June 17, 1896, he was married to Lillian Souders of Colby, and to this union six children were born. One child, Dorothy May, died at the age of eight years, the other children are all living and all here today. He leaves to mourn his death, his wife, Mrs. Lillian Connelly, and children, John V., of Independence; Arthur, of

Colby; James L., of Omaha, Neb.; Inez, now Mrs. Darrel Zeigler, of Oakley; Anne of Mahaska; one sister, Mrs. Dora Upchurch, Of Meridian [sic]; seven grandchildren, Fred Connelly of Nice, France; John and Jane Connelly, of Colby; Julia Connelly, of Omaha, Neb.; Dorothy Ann and Daryl Adell Ziegler [sic] , of Oakley; besides other relatives and a host of friends.

J. R. Connelly had an interesting and happy life. Until the past three or four months when stricken with illness he took an active interest in the affairs of his State and Nation. In the fall of 1888 he took the teachers' examination and for six years taught school in Thomas and adjoining counties. He spent two terms at the Old Salina Normal. In the fall of 1894 he was elected county superintendent and was re-elected in 1896. He took a great interest in Thomas county schools all his life. It was while he was county superintendent that the Thomas County High School was established. He served as a member of the Colby school board for 16 years. He served a term as Mayor of Colby and several terms on the City Council.

In December 1897 he purchased the Colby Free Press and operated and owned the paper until November 1918. He enjoyed writing and he enjoyed the early day battles of the newspaper men over politics and civic affairs. In 1912 he was elected as United States Representative to the Congress from the 6th Kansas District. He was reelected in 1914 and 1916. In 1908, 1920 and 1928, he served his state as a delegate to the Democratic National Conventions held in those respective years. During his service in Congress during the years of 1917 and 1918 when this country was at war with Germany, he was sent to Europe as a member of the Naval Affairs Committee on missions for the government . He enjoyed politics and he considered his elections to these offices an honor and a trust which he faithfully respected.

In 1895 he joined the Christian church in Colby. He continued his membership until his death. He loved his church and until his last illness did he miss attending. For the past 15 years he taught the Mens Bible Class at the church. He loved his class and they loved him. In 1896 he joined the A. F. & A. M. Lodge, Number 306 and served as secretary to that order until 1912. In 1920 he was raised to the 32nd degree in the Scottish Rites at Topeka.

In the sorrow of parting, there must be some comfort to the good wife who has walked by his side for so many years, helping to build his character and success and to his children and grandchildren here today; to know that in the eyes of his State and his Nation he was one that counted. He had a hard time like all men who came to this new country to build a civilization on the raw prairie. He worked hard and he suffered some of the wounds of those who strive, but he had the compensation in knowing the venture was a success. He enjoyed the years he served his nation in congress. He enjoyed the visits he had with the royalty of Europe but his best times were with those men who came down thru the years with him over the rough roads of Western Kansas. He was strong and courageous in in [sic] his beliefs. In the War Congress of 1917 when the President he loved and his party asked him to vote for war, he refused because he believed he must keep a trust with his people. He suffered some for that vote but his faith never waivered [sic] and men have since believed he was right.

He was not afraid to live and he was not afraid to die. To those who suffer his loss, remember he had a happy and wonderful life. He labored hard in the morning of life and at noon he received the plaudits and praise of his fellowmen and in the evening of his life he had the peace and comfort

of a good home with a reasonable share of this world's goods, with the satisfaction of his family around him in good health and happy. Now that the night has come and his day is finished, it is only fit and proper that the words of his favorite philosopher, words that he used many times in bidding some old and trusted friend "God Speed" across the river to the beautiful home of eternity, be his epitaph:

I ain't afraid
Shamed of nuthin' I ever done,
Always kept my tugs tight,
Ne'er shed a tear I didn't have to
Never cheated anybody but myself.
I am goin' off somewhere, Bill,
Don't know the way either,
I don't know whether it's east 'er west 'er
North 'er south 'er road 'er trail
But I ain't afraid.

Colby Pays Honor To Highly Successful Lady

A large company of relatives, friends and neighbors gathered at the Christian church in Colby Tuesday afternoon to pay tribute to Mrs. Lillian Souders Connelly, for long years an outstanding useful citizen of Thomas county. The services were in charge of Rev. C. E. Boatman, pastor of the church of which Mrs. Connelly became a member along with her husband the late John R. Connelly soon after their marriage and in which they proved to be loyal and consistent members.

Mrs. Connelly taught her first term of school in the county in 1888, and continued to teach for the next eight years, a work in which she took much satisfaction and the community found great profit. She was a charter member of the Leisure Hour club, one of the first organized in the community and which continues. She was also a member of the Eastern Star order and of the P. E. O.

Honor came to her husband in his election to serve the people of the 6th Kansas district in congress in which office he served for two terms, and he found an outlet for service to the community in his ownership and editorship of the Free Press, in all of which Mrs. Connelly ably supported him, but she found her greatest satisfaction and pleasure in the care of her home and family.

It can truly be said of Lillian Connelly that she lived at peace with God, and built a good monument for herself in the hearts of her family and her friends. The obituary was read during the services Tuesday.

Saturday at the Brighton hospital in Kansas City, Mo., about 6 o'clock in the afternoon, passed peacefully from this life, Lillian Souders Connelly, daughter of Ann Elizabeth and Richard Souders. She was born July 5, 1873, on a farm north and east of Beaver Crossing, Neb. In the fall of 1886, with her parents and brother Alfred, the family moved by covered wagon to Thomas county. The first winter in Thomas county was spent with a brother, Edra Trotter, on his homestead 12 miles northwest of Colby on what is known as the Sam Pratt ranch. In the spring of 1887 her father bought a relinquishment three miles east and one mile south of Colby where she made her home until her marriage. In the fall of 1888 she taught her first term of school in the Ketchum district north of Colby, and for the following eight years followed the teaching profession in Thomas county. In June 1896 she was united in marriage to John R. Connelly, of Colby, who preceded her in death in September, 1940. To this union six children were born, John, Arthur and James, all of Jackson county, Mo.; Inez, now Mrs. N. D. Zeigler of Liberal; Dortha May, who died at the age of eight years; Ann, now Mrs. John Grigg of Richland, Wash. The five surviving children and their families are here today. She leaves 11 grandchildren: Fred of Nice, France; John of North Platte, Neb.; Jan of

Independence, Mo.; Julia, Pat, Lillian and Cynthia of Kansas City; Dorothy Ann Brinkman of Pueblo; Daryl of Liberal; JoAnn and John of Richland, Wash.; and one great granddaughter, Kathleen Marie Connelly of North Platte; one brother, Alfred, of Caldwell, Ida. A sister, Stella Cork, of Colby preceded her in death in 1918.

Obituary of Dorothy Connelly, ID = 133a45

(From the Colby Tribune, Colby, KS, Thursday, 1 April 1915; probably transcribed by Jim Laird, online at KS-OLD-NEWSPAPERS@rootsweb.com)

A Sad Death.

Dorothy CONNELLY, daughter of Hon. John R. Connelly and wife, died at the home in Colby, Tuesday morning with diphtheria, after an illness of about ten days, at the age of eight years. The child was quite ill, but the family still had hopes that she was not dangerous, until a short time before her death, when the family phoned for the father who had gone down town, and the family as called in, and but a short time elapsed till the child had passed away. Dorothy was a bright, cheery little girl, and to be so suddenly called from them is a shock to the deeply bereaved family, as well as the town, and Mr. and Mrs. Connelly and family have the deep sympathy of the entire community in this, the first death that has come to darken the home. The child was laid to rest in Beulah Cemetery the same evening because of the disease that took her from them. But Jesus said, "Of such is the kingdom of heaven."

(Note by RRC: I'm unsure of her day of death and the spelling of her first & middle names. Here Dorothy is said to have died on Tuesday which would be 30 March 1915. From another source, I have her death date as 29 Mar 1915. I saw the J. R. Connelly family gravestones in Beulah cemetery in 1991; there Dorothy's stone reads "Dortha May 1907 – 1915". She was also called Dortha May in her Mother's obit.

In her family bio, Dorothy A. (Zeigler) Brinkman of Emporia, KS, wrote about Dorothy Connelly; "Sometime in the winter months of 1915, Dorothy came down with diptheria and died a month after her eighth birthday. The family was devastated for Dorothy was the family's "Blithe Spirit." She fit all the synonyms for blithe, being gentle and carefree. For years her name could not be mentioned without bringing a tear to the eye.")

Obituary of James Arthur Connelly, ID = 133a5

(The Colby Free Press, Colby, Kansas, 14 December 1938, transcribed by Roger R. Connelly from a photocopy provided by the Thomas County Historical Society.)

Pioneer Citizen Answers Final Call

--

Thomas county lost one of its early settlers and greatly beloved citizens when J. A. Connelly died at the age of 64 at the home of his son Claude in Colby last Thursday. Jim Connelly made a host of friends since he came to Thomas county in 1886 and great is their sense of loss at his passing.

James Arthur Connelly was born near Mt. Sterling, Brown county, Ill., December 22, 1873. He moved with his parents at the age of ten years to Thayer county, Nebraska, and when thirteen years of age moved to Thomas County, Kansas where his parents had taken a homestead and lived there continuously until the time of his death, which occurred at the home of his son in Colby, Dec. 8, 1938, at the age of 64 years, 11 months and 14 days.

He was married to Lottie McPherson on December 18, 1895, and to this union was born four children: one daughter and three sons. Three of the children preceded him in death. Only Claude of the children, with the devoted wife and mother, survive him.

He was a member of the Baptist church at Gem and a member of the Masonic Lodge at Colby.

Jim Connelly, as he was known by every one, has lived in and around Gem all the days of his wedded life. Other people grew discouraged at times and some moved away but it never occurred to Jim that he could better his condition or find a better place to live than with those among whom he had lived so long and loved so well. In all the fifty years or more since he came to Thomas county he had seldom gone away even on a visit. The lure of California or of Texas or the southland or the east had no effect on him. He was satisfied to live in Thomas county and especially at Gem, and in his long residence here only made one or two visits to his boyhood home in Illinois and just a few visits to relatives in Iowa. Perhaps he has lived in Lacey townships as closely as have any of those who have been here for so long a time.

His last illness was a long one. He fell sick on the 12th day of last May and at first it was not thought that his illness was so serious. However, notwithstanding that he had the best medical attention and the best of nursing his ailment did not appear to respond to the treatment and he grew steadily worse until the end.

He was the youngest of a family of five, three boys and two girls. Only two of the family remain, J. R. Connelly of Colby, and Mrs. T. J. Upchurch, of Meriden, Kansas. Besides his immediate family and other relatives, he leaves a host of friends who during his long illness spared no effort to show that they loved him and knew how to be genuine friends and neighbors.

The funeral services were conducted by his pastor, Rev. Maples, of the Baptist church, who preached a very comforting sermon. The music consisted of songs that he loved, and was sung by a choir, every one of whom he loved. Words at best in such a time are weak and feeble, but it will be the memory of the words of sympathy and acts of kindness, shown by this good community in tears, that will remain a precious legacy through out the coming years.

Obituary of Lottie Loretta (McPherson) Connelly, ID = 133a5

(The Colby Free Press - Tribune, Colby, Kansas, 3 January 1955, transcribed by Roger R. Connelly from a photocopy provided by the Thomas County Historical Society.)

Connelly Services Were Held Friday

Funeral services for Mrs. Lottie Loretta Connelly, long time highly respected resident of the Gem and Colby communities, were held from the Baptist church in Gem Friday, Dec. 31, with interment in the Gem cemetery. Officiating clergymen were Rev. J. H. Fortner and Rev. Dwight Neville.

Lottie Loretta McPherson, daughter of Edward and Nell McPherson, was born August 15, 1878 at Northwood, Iowa. She departed this life on Dec. 29, 1954 in the St. Thomas hospital, Colby, at the age of 76 years. She made her home in Iowa until she was about 15 years of age when she moved with her parents to Thomas county.

Lottie McPherson was united in marriage with James A. Connelly of Gem, on Dec. 18, 1895. To this union four children were born: Blanch [sic], Dewey, Claude and John. Mr. Connelly passed away on Dec. 8, 1938. Besides her husband, she was preceded in death by three of her children, Blanche, Dewey and John.

In addition to her son, Claude E. Connelly of the home, Mrs. Connelly is survived by one sister, Mrs. Maude (Elba) Paul of Libertyville, Ill. Until the death of Mr. Connelly, the family home was maintained in the Gem community, after which Mrs. Connelly moved to Colby where she has since resided.

Mrs. Connelly was a member of the Gem Baptist church. She was interested in and took an active part in church work as long as health permitted. Thus is recorded the life of another pioneer wife and mother whose passing is mourned by relatives and many friends.

George W. Connely was born in Raucier county, Indiana, March 24, 1849, and passed away December 8, 1912, aged 63 years, 8 months and 14 days. He was united in marriage with Milly Johnson, of Chase county, Kansas, in 1872, to which union were born two children, Mrs. W.A. Trekell and Mrs. J.J. Van Hoesen.

The Angel of Death called into the Great Beyond Mr. Connely's helpmate and companion three years ago last September, and the next January, his oldest daughter, Mrs. W.A. Trekell. The obsequies of Mr. G.W. Connely were on Monday. The services were held at the home of his daughter, Mrs. J.J. Van Hoesen, Rev. Kliensteiber, of the Methodist church, officiating. The interment was made in the Garber cemetery where he was laid beside his wife. There were many beautiful floral decorations.

(Note by RRC: There never was a county in IN named Raucier that I know of; there is a Saucier County in Mississippi but I think George was born somewhere in Putnam County, IN; he was 1 year old when enumerated in Warren Township, Putnam Co., IN, with his parents & sibs in the 1850 census.)

Obituary of Millie (Johnson) Connely, ID = 133c

(Found online at F-A-G, created by Emily Jordan; obit published in the Hunter Enterprise, Hunter, OK, 1 October 1909, page 2, column 3.)

Millie Johnson was born near Jackson, Jackson Co., Ohio, November 4th, 1856; died near Garbin, Okla., September 22nd, 1909, aged 52 years, 10 months, and 18 days. She was married to George W. Connely, October 5, 1873. She leaves a husband and two daughters: Mrs. W.A. Trekell and Mrs. J.J. Van Hasen to mourn their loss.

Funeral services were conducted at the home by Rev. Simpson Hamrick in the presence of a large company of sorrowing friends. Interment took place at the Garber cemetery.

(Note by RRC: I suspect "Garbin" should be Garber & "Van Hasen" should be Van Hoesen.)

Obituary of Stella Arrena (Connely) Trekell, ID = 133c1

On December 29, 1896, she was married to William Trekell at Highland, Okla. To this union were born four children, three of whom, together with her father, husband and one sister, survive her.

At the age of 20 she was united with the Methodist church at Canton, Kans., and continued faithful to her trust in the Savior, expressing even in her last moments her faith in Him who went before and tasted death for every man.

The funeral services were conducted at the Christian church in Hunter in the presence of a large assemblage of relatives and friends by C.C. She had only been sick a few days and her death was very unexpected and a great shock to the friends and relatives. The remains were shipped to this place Saturday and taken to the home place where friends and loved ones were allowed to take the last look at one whom they had visited and spent many happy hours within that same home. May the blessed Savior comfort the bereaved ones and help them to bear this awful affliction which seems to them almost unbearable. They have the sympathy of the entire community.

H. J. HOOD

Another of the faithful pioneer preachers has been called to his reward. On Nov. 7th I was called to Aurora, Mo., to preach the funeral of Bro. H. J. Hood. Bros. Cox and Stephens of Springfield accompanied me.

Bro. Hood was born March 13, 1849, in Putnam Co., Ind., died Nov. 5, 1921, at Aurora, Mo.; aged 72 years, 7 months and 22 days. He obeyed the gospel at the age of 18, and has since lived a life devoted to the upbuilding of the Cause of Christ.

March 22, 1868, he was married to Armilda Conley. To this union were born 8 children, 2 boys and 6 girls, all of whom are members of the One Body and all were in attendance at the funeral. His wife had preceded him to the "mystic beyond" several years ago.

Bro. Hood came to Lawrence Co., Mo., in 1876, and has since lived in the Ozark regions devoting all the time possible to the preaching of the Word. He was an able speaker and his work in destitute fields without regard to remuneration doubtless has no parallel. The cause has suffered a great loss in the Ozark region that will scarcely be made good, while Bro. Hood has earned a reward that few will duplicate. Many congregations will miss his untiring labors among them. It is certainly a consolation to bereaved children to have the blessed assurance that he "had fought a good fight and kept the faith," and their meeting him again is assured upon their faithfulness. He also leaves two sisters and brother, all older than he, to await the call of the Savior, "Come up higher."

May we all be found faithful that we may some day clasp again the hand of our beloved Bro. Hood on the sunny banks of sweet deliverance.

Yours in the Faith,
JAMES T. AMIS.

Obituary of Carol Lea (Foster) Dunn, ID = 133d413

(Copied from the Akron Beacon Journal, Akron, OH, 12 Dec.2003, online.)

Dunn, Carol Lea (Foster)

Carol Lea Dunn

Carol Lea Dunn (Foster), 75, of Blackwell, entered into rest late Saturday evening, December 6, 2003, at a Ponca City Nursing Home.

Services will be held Friday, December 12, at 2 P.M. at the Anderson Funeral Home Chapel in Tonkawa. Burial will follow in the Blackwell Cemetery.

Carol was born in Blackwell, Okla., July 2, 1928, to the late, Jesse Foster and Zelma Nadine (Hood) Foster. She was raised and attended school in Blackwell. She later met Robert A. Dunn who was stationed at the P.O.W. camp in Tonkawa. They were united in Holy Matrimony at Oklahoma City, Okla., Saturday, June 9, 1945. After her husband's discharge, they moved to Akron, Ohio where two sons were born into this union, John and James. Carol spent forty years in Akron, raising her family, working part time and being a creative homemaker. She was a wife, mother, friend, and special to all who knew her. She was a special friend to youth around town, and eventually all over the country, and world. Many of the youth she worked with and was a confidante to relocated. When they were back in town with their new families they never failed to pay a visit to the Dunn house and announce "Now We are Really home." They knew their families would be wel comed. Carol was active in youth baseball leagues, helping her husband who was a manag er and president of the WABL Little League teams. Carol saw a special need for the youth who were cut from the little league teams, because they weren't always as gifted as oth er players. These youth had a desire to play but no team to play for. Carol helped organize and create sponsors, collect used uniforms and obtain equipment to create extra teams so those who were left out could play. This gave her pleasure and created lifetime friendships with many of the youth and their families. She encouraged the young ones she came in contact with to get past color and creed and live and work together in harmony, this was a bold move in the 50's and 60's, but Carol was a bold woman who would take on a challenge and produce above acceptable results. Carol moved in the early 80's to Lake Worth, Fla., to prepare a home for her and her husband upon his re tirement. They lived in Florida until late 1985 and then moved back to Blackwell, Oklahoma to be near family. Carol spent many years just being a wife and mother in Blackwell and enjoyed renewing her ties with friends and relatives. Carol was artistic, witty, creative, and dedicated to friends and family, she will truly be missed.

Carol was preceded in death by her parents, her brother, Cleo Foster, her husband Robert, and her son John. She is survived by her sister and brother-in-law, Elaine and Rober Reah of Blackwell, and

numerous nieces and nephews; her son, James (Bo) Dunn of Blackwell, granddaughter, Kristi Leigh, granddaughters, Donna and Becky and spouse Jimmy, of Salem, Oregon; grandson, Roger and wife Lisa of Salem, Oregon; great-grandchildren, Anthony, Raymond, and Casey of Salem; daughter-in-law, Ida Dunn, and Ida's children Na thaniel, Charity, and Inez of Paaillo, Hawaii.

A precious one from us is gone, a voice we loved is still,

A place is vacant in our home, which never can be filled.

Ourspecial thanks to Dr. Robert Morgan of Blackwell and Dr. Melinda Allen of Ponca City, Wendy Brammer and the won derful staff of Ponca City Nurs ing and Rehab, and the excellent staff of Ponca City Hospice. We are grateful to you all. In lieu of flowers, please make donations to any organization that protects nursing home resi dents from neglect and abuse from nursing homes. Due to breeding and a recent litter of puppies, the family will be unable to receive friends at the residence, thanks so much.

Obituary of (Howard) Dean Lough, ID = 133d591

(Partially transcribed by RRC from a photocopy of the original article in the Arizona Daily Star, Tucson, AZ, Sunday, 1 April 2018, page C5)

LOUGH, Dean H.
10/18/1931 - 3/13/2018

Dean, the first son of Warren and Norene Lough, was born in the hills of Northwest Arkansas. At an early age, the family migrated to Southern California. Dean was the product of the Southern California public school system (Excelsior High, Class of '49), where he met his future wife of over 60 years, Nancy. Dean served in the U.S. Army during the Korean Conflict. Following his service, Dean and Nancy returned to Southern California to begin raising their family. They soon moved to Denver, Colorado, where Dean began his career as a Project Engineer in the Aerospace and Defense Industry. His position at Martin Marietta Corporation brought him to the Tucson area to work on the Titan Missile installation project. Dean and Nancy fell in love with the Sonoran Desert and, when Dean was transferred back to Denver, they chose to move to Tucson where he eventually began working for Hughes Aircraft Company. Dean retired from Hughes in 1985. Dean and Nancy enjoyed traveling in their retirement and adventures in their motor home. They traveled the Al-Can Highway to Denali and explored the Deep South, made the trip to New Zealand and Australia, but never stayed away from the grandkids too long. They enjoyed lazy summer afternoons and the fresh pines of their Pinetop home where Dean kept his well-appointed woodworking shop. Dean and Nancy are survived by their children… six grandchildren (11 if we get to count the King kids), and one great-grandchild. Dad believed in doing things the right way. He proudly raised his children, saw to it that they got an education, and prepared them well for their own independent lives. Upon Mom's passing in 2014, life became more difficult and less enjoyable for Dad. He is once again with Mom and likely a lot happier for it. An open house in celebration of Dean's life will be held on Thursday, 12 April 2018 at 1:00 p.m. in the Academy Hall at Atria Bell Court Gardens, 6653 E. Carondelet Dr., Tucson.

Nancy A. Lough

passed away on May 8, 2014, at the age of 82. She was born and raised in the Los Angeles area but spent most of her life raising her family and enjoying friendships in Tucson. As a teenager and young adult, Nancy danced her way onto the stage with regional, and even some national, stars of the Southern California entertainment industry. When she married her high school sweetheart, she left the stage and eventually made a career with Mountain Bell Telephone in Tucson. She was much loved by friends and extended family, but most especially by her husband… and children… and their families. She will remain in our hearts. By her request, there will be no services. She would be honored by your donation to the charity of your choice.

Irma Ramer Bates

I'm free, don't grieve for me for now; I'm free. I'm following the path God laid for me. I took his hand when I heard him call; I turned my back and left it all; I could not stay that way. I found that peace at the close of the day. If parting has left a void, then fill it with remembered joy. A friendship shared, a laugh, a kiss; ah yes, these things I too will miss. Be not burdened with times of sorrow; I wish you the sunshine of tomorrow. My life's been full; I've savored much: good friends, good times, a loved one's touch. Perhaps my time seemed all too brief; don't lengthen it now with undue grief. Lift up your hearts and share with me; God wanted me now; He set me free. Irma, a native of Plentywood, Mont., and a resident of Baton Rouge, was born on April 12, 1946, and peacefully departed this life on Wednesday, Nov. 14, 2007, surrounded by her family and friends at the Hospice Butterfly Wing at Ollie Steele Burden Manor. She is survived by her loving, devoted husband... Irma was retired from the Louisiana Department of Labor and enjoyed traveling and spending time at their fishing camp with Puddin. She was an active volunteer and very involved in their church. She enjoyed the La'Tea Dolls Club, Bridge Group, and was a past member of the Women's Geological Auxiliary. She also enjoyed cross-stitching and made many beautiful baby blankets for her great-nieces and great-nephews. Visitation at Resthaven Funeral Home, 11817 Jefferson Highway, was on Friday, Nov. 16, from 5 p.m. to 8 p.m. Visitation continues at the funeral home on Saturday from 8:30 a.m. until religious service at 10 a.m., conducted by Kim Little-Brooks, pastor, followed by Celebration of Life at Lutheran Church of Our Savior, 3555 Jones Creek Road. SHERIFF CONNELLY DIES

WAS FOR 24 YEARS SHERIFF OF TERREBONNE.

Houma, La., Dec. 14. — A. W. Connelly, for 24 years sheriff of Terrebonne parish, died at his home here at 4:43 yesterday morning. Mr. Connelly had been in failing health for some time.

He was born in Terrebonne parish Sept. 19, 1847, and came from a prominent family. His father was at one time a United States engineer and subsequently became a large sugar planter in this section.

Sheriff Connelly was a Confederate veteran. He was a democrat by birth and conviction, and since he entered the sherif's office nearly a quarter of a century ago, had always been unbeatable.

When the sugar planters' defection to the republican party occurred in the early 90's he remained true to the faith and refused to be swept off his feet by the present progressive movement in the Third district. He supported Mr. Gueydan in the fight of last year and was lending the democrats of the parish in the present campaign.

Obituary of Edmund John Connely, ID = 1341391

(Found online in "Authement, ...", owned by Cynthia; obit published in The Courier, Houma, LA, 4 January 2000.)

Edmund J. Connely

Edmund J. Connely, who inspired the local legal community by practicing law for almost 40 years despite a severe case of cerebral palsy, died at 1:30 p.m. Sunday, Jan. 2, 2000. He was 65.

The Houma attorney was born with cerebral palsy, a disorder that usually stems from central nervous system damage and is characterized by spastic paralysis. His symptoms were pronounced, with his body hunched and his head cocked to one side. But, friends say, he never let his physical handicap hold back his intelligence, work ethic and sense of humor. "I just did what I had to do," Connely told The Courier in June 1999, when asked why he became an attorney. Then he laughed and said, "I didn't want to go on welfare." A native of Terrebonne Parish, he grew up in Bayou Dularge, then graduated from St. Francis de Sales High School. He earned both his bachelor's and law degree from Louisiana State University. In 1961, Connely began his law practice in Houma. Throughout his career, he was involved in all sorts of legal work. Recently, he handled collections, but still made occasional courtroom appearances. "I like the idea of a good argument," Connely said last year. Connely's attitude inspired others who were more physically fortunate, according to his cousin, District Judge Edward Gaidry. "He always had a determination to not let his handicap get in his way," Gaidry told The Courier last year. "I'm proud to be his cousin."

Visitation was scheduled from 10 a.m. to funeral time today at Chauvin Funeral Home. Mass was scheduled for 1 p.m. today at the funeral home, with interment in St. Eloi Cemetery.

He is survived by his wife, Frankie Jackson Connely of Houma; two sons, Andy and Damien Connely, both of Houma; one daughter, Meeko Connely of Houma; two stepbrothers, Don L. and Guy E. Chauvin, both of Houma; four stepsisters, Willie Lou Whitney, Carol Ann Lenox and Amy E. Ourso, all of Houma, and Mina Jennusa of Belle Chase; and many nieces and nephews.

He was preceded in death by his father, Clerville Connely; his mother and stepfather, Estelle Marmande Connely Chauvin and Roland Chauvin Sr.; one stepbrother, Roland R. Chauvin Jr.; and his grandparents, Mr. and Mrs. Arthur W. Connely, and Mr. and Mrs. John J. Marmande.

N. CONNELY DEAD

Another Old Landmark Gone to His Final Resting Place

The sad intelligence reached Atchison last night that N. Connely, or Squire Connely, as he was more familiarly called, was dead. His death took place in the afternoon about 3 o'clock and was the result of old age. He was one of the pioneer settlers of this county, having come here in 1855. He preempted a quarter section of land a half mile east of Monrovia, where he has resided most of the time up to his death. He died most highly respected by all who knew him. He lived a consistent life and will be well remembered by all old settlers as an ardent free state man. He, like many others, helped to bear the burdens of Kansas in the turbulent territorial days when it was a bloody struggle for the right. Since retiring from agricultural pursuits he has been engaged in the fire insurance business. He has several times held the office of justice of the peace and other positions of trust in the gift of the people. He was 80 years old at the time of his death. Besides a host of admiring friends, he leaves a wife and three children to mourn his loss.

(Note by RRC: Ninian died 6 Jan. 1897. By my calculation, he was 79 at his death. Based on other sources, only 1 of his 3 children survived him.)

He, like many others, helped to bear the burdens of Kansas in the turbulent territorial days when it was a bloody struggle for the right. Since retiring from agricultural pursuits he has been engaged in the fire insurance business. He has several times held the office of justice of the peace and other positions of trust in the gift of the people. He was 80 years old at the time of his death. Besides a host of admiring friends, he leaves a wife and three children to mourn his loss.

(Note by RRC: Ninian died 6 Jan. 1897. By my calculation, he was 79 at his death. Based on other sources, only 1 of his 3 children survived him.)

A Sketch About Ninian Connely.

He was born Nov. 7, 1817 and died Jan. 6, 1897. He was one of the early settlers, coming to Kansas in the spring of 1855, and pre-empted 160 acres one mile east of Monrovia now known as the White farm. At that time he owned a team of horses, and as there were only three teams then in Atchison county he was considered one of the wealthy. Oxen were universally used at that time. The Squire moved to Monrovia in 1862 and erected the house in which he died. He was married three times. By the first, three children were born, only one surviving him, Mrs. Owens of Wyoming. He took an active part in the free states right doctrine, and went with Jim Lane on his first rough raid on Lawrence in 1856. When the Central Branch was built west through Monrovia in 1866, they refused to put a station at Monrovia or take on or put off mails. A meeting was held and it was decided to grease the rails a ways, then molasses a ways and so on and keep it up until the trains stopped. One dose of grease and molasses was enough. The cars have stopped at Monrovia ever since. Mr. Connely was one of the moving spirits at this meeting. At the breaking out of the war he was in Texas and came through on horseback alone, though captured a number of times by north and south sympathizers. He helped Sam and John Hipple erect the first saw mill ever in Atchison county, which was located at Monrovia. For many years he followed carpentering, up to the time he built Thomas McPhilimy's house about 15 years ago, when he fell and broke his leg, crippling him so he could follow it no longer. He then came to Effingham and went in the insurance business. He served as justice of the peace near 20 years and one term as township trustee. He was honored by all and was a leading character in his time.

OBITUARY.

The Death of Mrs. Sophia Connely
That was Noted in Last Week's
Graphic, Removes an
Old Settler.

Mrs. Sophia Connely was born May 29, 1829, in Cashocton county, Ohio. She was married there in 1848 to Smith Stauffer. She came to Kansas in 1854, and settled on a claim near where Monrovia now stands. Her first husband died in1855 leaving her a widow with three small children. She was married to Ninian Connely the next year, and moved into Monrovia in 1862. She died January 11th 1892.

Such is the brief events of a life of a typical settler of Kansas The many thrilling events, incident to a life in the early days of this state, struggles and hardships must perforce be passed over without notice. She bore her share faithfully and patiently. She was a woman of strong character, energetic and resolute. In the times that tried men's souls she passed unflinchingly. When her first husband died she was occupying a small cabin on the bleak prairie, miles away from human habitations. Looking out of the door one day she saw wolves digging at her husband's grave. When they were driven away it was found they had uncovered to the coffin.

At another time herself and three small children were alone in the cabin when a severe snow storm came up. The cabin was open to the winds and they were out of fuel. She started out to notify the neighbors, but was barred by immense snow drifts. Mr. Connely and his brother suspecting their need, forced their way through the drifts with a load of wood. We expect this was the beginning of the squire's courtship. Subsequently when one of her children fell in the well she went down the thirty five feet and brought it up by her teeth. These illustrations will show her worth and character.

She united with the M. E. church at fourteen and lived a christian life since. She was a mother of mercy in the neighborhood and a sister to those in need. Her loss they mourn as a personal one and sympathize deeply with her husband. After a stormy life she is now in a haven of rest.

Obituary - Steffey

Julia Farley, was born at Itatin West Virginia, in 1837, and died at her home in Valley Falls, Kansas, Sunday morning at 1 o'clock, February 14, 1915. She came to Kansas when a girl of sixteen years of age and was married to Mr. Connely, making her home at Effingham. Mr. Connely died, and later in life she was married to Mr. Jacob Steffey. They came to Valley Falls in 1900 where they have since made their home. No children were born to her, but the Mother Love in her heart opened her home to several children whom she cared for and raised. Her mother died when she was but a child. Her father was a preacher in the Methodist Episcopal church. Her brother was Senator of the State of California. There were no sisters.

Mrs. Steffey untied with the Methodist Episcopal church in childhood, but when she married Mr. Steffey, she became a member of the United Brethren church, holding membership with her husband at Fairview Chapel. She was a good Christian, always faithfully doing the work in the church which fell to her. Raised in the South, she was noted for her hospitality and generosity. She was always a friend of the friendless, and endeavored to live the life which taught, "In as much as ye did to the least of these, ye did to me." All who knew Grandma Steffey learned to love her.

She leaves to mourn her departure and cherish her memory, an aged husband whose tired feet are pressing closely to the brink of the River, and a host of kind friends and neighbors. Funeral services were held in the Christian church in Valley Falls, Kansas, Monday morning, February 15th, at 10:30 o'clock, conducted by the Rev. Rauch of the United Brethren church of Ozawkie, Kansas, assisted by Rev. Kimball of Valley Falls. Interment was had in the Cemetery east of Fairview Chapel.

Card of Thanks

We wish to thank the friends and express our appreciation of their kindness, during the illness Mrs. Steffey.

Though reasons now, seem dim.

Judge Delmas Hill loved challenge
By Bud Norman

The Wichita Eagle

OBITUARY

Despite the heavy responsibilities of his position, Delmas C. Hill loved being a judge.

“I’ve enjoyed every minute of it,” Hill told a reporter in 1977, just after stepping down from the U.S. Court of Appeals for the 10th Circuit. “I’ve had some hard decisions to make, but at the same time I’ve enjoyed my work very much.”

Hill, 83, a senior judge, died Saturday.

A native of Wamego, Hill began his career in 1929 after his graduation from Washburn University law school. After two terms as the Pottawatomie County attorney and stints as general counsel for the state Department of Revenue, Hill joined the Army in 1943. He served on the postwar commission that successfully prosecuted Japanese Gen. Yamashita for war crimes.

Following his return to Wamego, Hill served as state chairman for the Democratic Party in the late 1940s.

“If there’s one thing he was, it was a Democrat,” said Kay Swartz, a niece. "The rest of the family were Republicans, but he never let it sway him.

When a new federal judgeship was created for Kansas in 1949, Harry Truman named Hill to the post. He became senior federal judge in 1958, and three years later stepped up to the Court of Appeals, splitting his time between Wichita, Denver and other western courts.

In 1977 he accepted senior status, meaning he retained his office and the right to advise other judges but was no longer active on the bench.

Hill’s wife, Katherine Virginia Hill, died in 1978. Hill lived in Wichita after becoming a senior judge. He remained active as a senior judge until recently, Swartz said, and also offered counsel to his family.

“He always had a way of giving you wonderful advice, and he did it so graciously he didn’t intrude in your life,”Swartz said. "If he could help you, he’d do whatever he could.”

The service will be at 10:30 a.m. Wednesday, in the East Heights United Methodist Church.

Born at Topeka, November 10, 1897. She spent most of her young life there and in Missouri. She became connected with the Church as a child, entering the Baptist church at Kansas City at the age of ten years, and since has been an ardent laborer in God's field. When the family removed to Wichita, a few years ago, she became a member of the First Baptist Church, there.

Some time ago she entered the National Americans, and last fall was elected Chaplain of that organization. She entered the ranks of the Young Womens' Christian Association and was ever a willing worker in its broad field of endeavor.

Funeral services were held at the Wichita Undertaking Parlors, Thursday afternoon and at the home of her aunt, Mrs. Sarah Seal, near Rock, Friday, where a host of loving friends and relatives gathered and paid their last earthly tribute to the little body.

Besides a grief stricken mother, she leaves two brothers, Silas Robert and Elmer Brann; two uncles, Elmer and Robert Widener; and an innumerable host of relatives and friends.

With few advantages and possibilities toward earth’s successes, she went willingly to work and wrought an everlasting monument of her life in the warm place she found in the heart of her every friend and acquaintance. Going down through life, oppressed by the ever-present problems of life, she always found time to shed on those with whom she associated “the radiant sunshine” of an affectionate and happy nature, with which her very spirit was imbued. To associate with her in her everyday life was to realize the wondrous glow of God's love, and her wonderful spirit of patience and love has been an inspiration and a healing comfort to many oppressed by the obstacles in life's path.

Her spirit has been wafted to the happy goal, and a host of loving relatives and friends are left to remember the sweet nature and the glorious crowning of a wonderful and beautiful life.

Obituary of Roberta Mae 'Ann' (Anderson) Hanna, ID =1343443

(Partially copied from the News-Leader, Springfield, MO, 26 March 2006, online.)

Ann Anderson Hanna

Ann Anderson Hanna, the Lord's sweetest angel, wife, mother, grandmother, great-grandmother and friend, slipped slowly, silently and peacefully back into His arms on the sad, gray and misting morning of March 10, 2006. Roberta Mae "Ann" Anderson was born the last day of July, 1916, in Petrolia, Texas, the fourth child of Cora Anderson and her husband, George, who soon was to fall victim to the Spanish Flu of 1918. Reared a small-town girl, Ann did not know what she was getting into in June of 1941 when she married her young, handsome and determined suitor... Instead of the simple life into which she was born, and probably would have preferred, she soon found herself traveling the world as the wife of a military man. And now he travels alone. In addition to her loving husband of 65 years... Ann leaves three children... and two grandsons that she raised as her own... She also leaves seven other grandchildren and six great-grandchildren (the last born March 17) that will badly miss their Mima. "I am standing upon the seashore. A ship at my side spreads her white sails to the ocean. She is an object of beauty and strength. I stand and watch her until at length she hangs like a speck of white cloud just where the sea and sky come to mingle with each other. Then someone at my side says: 'There, she is gone!' 'Gone where?' Gone from my sight. That is all. Her diminished size is in me, not in her. And just at the moment when someone at my side says: 'There, she is gone!' there are other eyes watching her coming, and other voices ready to take up the glad shout: 'Here she comes!' And that is dying." Henry Van Dyke Our sweet Ann has a very large crowd watching for her arrival upon the opposite shore. Because of her kindness, her goodness and generosity of spirit, waiting to welcome her home is everyone that has gone before whose life she touched and made better just by the knowing of her. And that's a great many souls indeed. Ann Anderson Hanna is interred at the Missouri Veterans Cemetery in Springfield. The family requests memorial contributions in her honor be made to the Alzheimer's Association.

SHOOTING AFFRAY AT EMPIRE CITY.

One Man Instantly Killed and Another Fatally Wounded.

[Special Correspondence Daily Monitor.]
Galena, Kas., Aug. 22.

Ep. Monitor: This morning about 9 o'clock Empire City was again the scene of a horrible murder, in which two men - a father and son - were shot, and the son instantly killed, and no hopes entertained of the father. It appears that the murderer, B. E. Shoemaker, a miner on Galena land, had some hogs which Robert Connely claimed.

On Wednesday evening, Mr. Connely in company with his son, Harry Connely, aged about twenty-five years, went to the residence of Mr. Shoemaker's and drove the hogs home, about a mile and a half east of here. Returning to Galena again this morning, Shoemaker got out a warrant for their arrest, and in company with an officer went in pursuit of the Conneley's, finding them just north of Galena, across the creek, near Ferguson's shaft. There the elder Conneley, it is said, started towards Shoemaker with a rock in his hand. Shoemaker warned him not to come any nearer, saying that if he did he would shoot him. Persisting, Shoemaker shot him twice in the neck or breast and in his right side. His son seeing what had happened, cried out, "My God, you have killed my father," and started towards Shoemaker, who again levelled his revolver and shot him in the heart, killing him almost instantly. Shoemaker at once gave himself up to the proper authorities and was safely lodged in the Baxter Springs jail today.

Very little, if any hopes, are entertained of the elder Conneley's recovery. He is about 57 years old, and his neighbors speak of him in the highest praise as being a quiet, peaceable citizen. He was sheriff of Atchison county in 1861.

It is impossible at present to get the full and true particulars of this double murder, but the above will give the readers of the Monitor all that can be obtained now.

It has created no small amount of excitement among the miners, and everybody is determined to see justice done all parties.

HARRY WEBB.

(Note by RRC: Based on other sources, Harry was about 30 1/2 years old at his death; Harry's father, Robert, survived, lived another quarter century; several typos - "Conneley" should be Connely, "levelled" should be leveled.)

Obituary of James Albert Connely, ID = 1344324

(Transcribed by RRC from a photocopy of the original article in The Neosho Times, Neosho, MO, Thursday, 24 June 1937, page 1.)

GRANBY MAN FOUND SHOT THROUGH HEART

The body or Albert Connely, 32-year-old WPA worker, was found lying on a cot in the yard of his home with a bullet hole in the breast, early Tuesday morning by his mother, Mrs. Eva Connely, with whom he made his home. A .32 caliber pistol was found lying on the ground near the cot.

County Coroner Corley Thompson made an investigation preparatory to holding an inquest, and the investigation is being continued pending a report from fingerprint experts in Washington to whom the gun has been sent. Dr. J. R. Reynolds and Dr. C. E. Maness performed an autopsy and found that the bullet had entered the heart and death was instantaneous. The coroner expressed the opinion that the gunshot wound was self inflicted and Prosecuting Attorney Wayne Slankrard is of the same opinion.

Mrs. Connely, mother of the young man, said that he had been ill and despondent and she believes that he committed suicide. Besides his mother, Connely is survived by his father, Harry Connely of Granby; a brother, Arthur Connely, and three sisters, Mrs. Chester Hale or Kansas City, Mrs. Claude Turner of Sapulpa, and Mrs. Homer Burress of Granby.

Obituary of Melvin Manuel Roland Zumwalt, ID = 13443252

(Partially copied from the website of the Parker Mortuary, Joplin, MO.)

Melvin M. Zumwalt
May 16, 2018

The Lord called Melvin Manuel Roland Zumwalt home on May 16, 2018 at age 97. As Melvin's favorite hymn states, "Then when all of life is over, and our work on earth is done, And the roll is called up yonder, I'll be there."

Melvin was born on December 3, 1920 in Joplin to Kit Carson Zumwalt and Eleonora Louise Maria (Wortman) Zumwalt. Melvin lived in Joplin most of his life. He graduated from Joplin High School in 1939. He worked as a delivery boy at Parkway Pharmacy in Joplin while in school. He later worked at Junge Bakery Company as a maintenance man. Around 1950, he started working for the Joplin Water Company and retired from there in 1976. He liked to brag that he was retired from the Water Company longer than he was employed there.

While working at Junge Bakery, Melvin met the love of his life, Mable Louise Barcom. They were married on April 25, 1942 after only three dates. Melvin and Mable had two sons… Melvin and Mable were very active in the Joplin Senior Center. They help coordinate dances, pool tournaments and other activities. Melvin won quite a few of those pool tournaments and was a fiercely competitive domino player. Melvin oversaw the Meals on Wheels program out of the Joplin Senior Center for many years. The city of Joplin proclaimed April 3, 2006 "Melvin Zumwalt Day" in honor of all his volunteer work in the community.

Melvin was heartbroken when Mable passed away in Joplin on May 14, 1997 after years of ill health. He stayed active at the Senior Center. Even at the age of 96, he brought beverages at lunchtime to the tables of those who were disabled. He was President of the Joplin Senior Center Council at the time he fell ill last year.

He met Elizabeth Ann Poe at the Senior Center. He and Ann traveled to China to visit his son… and while there Melvin proposed marriage to Ann on the Great Wall of China. They were married on February 14, 1999. Melvin and Ann kept busy with Senior Center activities, visiting family and even taking a cruise to Alaska with… Ann passed away on September 8, 2013.

Melvin accepted Christ as his Savior at a young age. He was active in church. He was a charter member of Central Assembly of God in Joplin and attended there for many years. He and Ann later attended Southside Apostolic Faith Church in Joplin. Even in his 90s, he would help teach young

children who had just become Christians. His faith in Jesus was most important to him and he instilled this faith in all his children and grandchildren.

Melvin was preceded in death by two infant brothers, Darson in 1918 and Carson Jr. in 1920, his parents Carson and Eleonora, brothers Elson Zumwalt in 1986, Beauford Zumwalt in 2011, a stepdaughter, Andrea Grissom in 2011 and a daughter-in-law Sharon Rose (Dobbins) Zumwalt in February 1998.

Melvin is survived by his two sons… Stepson… Six grandchildren… He is also survived by fifteen great grandchildren, six great-great-grandchildren, eight step-grandchildren, eleven step-great-grandchildren, numerous nieces, nephews, cousins and friends.

The Family would like to express their gratitude for the excellent care he received from the staff of Spring River Christian Village and Avalon Hospice.

Visitation will be Friday, May 18 at 6:00pm at Southside Apostolic Church 4430 S Main, Joplin, Mo. Celebration of Life will be Saturday, May 19 at 10:00am also at Southside Apostolic Church. Pallbearers will be Jim Zumwalt, Paul Mulik, Lealan Womble, Cason Womble, Jay Grijalva and Wade Barker. Reverend Paul Dilts and Reverend Brian Moser will officiate.

Emma L. Quinly

NAMPA — Funeral services for Mrs. Emma L. Quinly, 85, 423 S. State St., who died Monday at a Nampa hospital after a short illness, will be conducted at 11 a.m. Wednesday. The Rev. Father Harold V. Myers, rector of Grace Episcopal Church, will officiate. Interment will follow at Hillcrest Memorial Gardens.

Mrs. Quinly was born April 21, 1881, at Rock, Kan., and was reared in Kansas and Missouri. She was employed as office manager for the Eagle Picher Mining Co. at Joplin, Mo., from 1913 until her retirement in 1944.

She was married to Andrew Quinly in 1898 at Modesto, Calif. He died in 1906. She resided in Joplin, Mo., until 1955, when she came to Nampa to make her home with her son and daughter-in-law, Mr. and Mrs. Joe C. Quinly of Nampa.

She was a member of Grace Episcopal Church. She is survived by one son, Joe C. Quinley of Nampa; two grandchildren, and nine great-grandchildren.

(Note by RRC: Emma's married name is spelled Quinley in some vital records and that is the spelling I used earlier, but it is spelled Quinly on her gravestone, so I now use Quinly; based on other sources, her day of birth was 20, not 21, and her husband's 1st name was Walter, not Andrew (his middle name was Anderson) and his death was in 1908, not 1906.)

She taught in the Nampa school system for 15 years. She later taught at Mountain View Elementary School in Boise. She retired in 1972. Obituary of Colleen (Looney) Smart, ID =1344632

(Partially copied from the Calaveras Enterprise, San Andreas, CA, 10 Dec. 2015, online.)

Colleen L. Smart
September 17, 1925 - December 1, 2015

Surrounded by several of her loving family members, Colleen L. Smart passed away peacefully on December 1, 2015 following a brief illness. Born on September 17, 1925 to Lloyd (Richard) and Grace Looney, Colleen spent her early years in the town of her birth, Turlock, Calif. Caught in the depths of the Great Depression, the family moved to Merced, Calif., where work opportunities were more prevalent and where extended family members could provide added support to the family. Although the family struggled, Colleen often remembered that what were then called “hobos” would come from the nearby rail yard to the family home’s back gate and ask for scraps of food. Collen remembered her mother offering a buttered biscuit more often than not.

Colleen was predeceased by her husband, Elliott A. Smart in October, 2007. She is survived by her six children... She is also survived by 11 grandchildren and one great-grandchild.

Colleen was born to a family of fiddlers. Her grandfather, uncles and cousins frequently served as the players and callers at barn dances and other events both in Kentucky and in the Sacramento/San Joaquin Valley. So it was that at an early age Colleen also took up the violin, first learning to play by ear and by watching family members. Later, as a teen, she learned to read music and developed a lifelong passion for the instrument.

After graduating from high school, Colleen moved to Stockton, Calif., to attend college. She was the first in her family to do so. It was while attending college that she learned the College of the Pacific orchestra needed a viola, so she learned to play viola in addition to her beloved violin. It was there that she met and became friends with Joanne Smart (Baldwin) of Murphys, who was also a student,

studying music. Joanne introduced Colleen to her older brother Elliott, a Navy veteran of World War II, who was attending University of California, Berkeley. The two soon fell in love and were married in the Congregational Church in Murphys on September 10, 1948. The marriage was duly noted in Herb Caen's San Francisco Chronicle column under the heading, "Looney gets Smart."

Elliott re-entered the uniformed service in the U.S. Air Force while still in college. His postings took Colleen and their young family to Germany, Minneapolis and Travis Air Force Base in California and San Antonio, Texas. During their travels Colleen purchased many handcrafted items, much of which was displayed at her home. In 1967, when Elliott learned he would be assigned to Cam Rahn Bay during the Vietnam conflict, Colleen took her family, now numbering six children, to Murphys, where Elliott's family roots had been long established.

Following retirement from the Air Force, Colleen and Elliott moved to their newly built home near Murphys. Here, Colleen began her second career (raising her family was the first) working in the medical field.

It was at this time that Colleen became active in the community, specifically in activities and programs that supported the provision of health care to the communities of Calaveras County. She also took part in promoting music and the arts. She served for nearly 30 years on the Mark Twain Health Care District Board and was the board's president for over 20 years. She was a founding member of the Mark Twain Medical Center Foundation that has a significant history of direct support for improving and expanding community health and the Mark Twain Medical Center. Colleen was also a member of the Calaveras Arts Council, Bear Valley Music Festival, Mother Lode Youth Symphony and others. In February, 2013 she received a Golden Health Award honoring her for contributions to improving the health of Calaveras citizens.

In addition to her work on health care and promoting the arts, Colleen's passion through her life remained her family and her violin. She would look forward to holidays and other reasons for the family to gather at her home. She played in a number of symphony orchestras (from Sacramento to the Sierra), string quartets and sometimes even jammed with her children playing old-time fiddle tunes with her children accompanying her on mandolin and guitar when they gathered for the holidays.

Services will take place at the Congregational Church in Murphys, CA at 2 p.m. on Dec. 19. A social gathering will follow. In lieu of flowers, contributions in Colleen's name can be made to the Mark Twain Medical Center Foundation, 768 Mountain Ranch Road, San Andreas, CA 95249.

WILLIAM CONNELLY DIES AT ST. JOHN'S HOSPITAL

William Connelly, 72 years old, residing west of Bell Center, a farmer and miner in this district since 1869, died at 7:30 o'clock last night at St. John's hospital, where he had been a patient since January 5.

Surviving are two brothers, James N. Connelly, 2526 Annie Baxter avenue, and Arthur Lee Connelly of Granby, and two sisters, Mrs. M. J. Looney of Merced, Calif., and Mrs. M. A. Widener of Granby.

Funeral services will be conducted at 10:30 o'clock Tuesday morning at the Frank-Sievers chapel, with Rev. W. H. Flippin in charge. Burial will be in Ritchey cemetery, north of Galena.

(Note by RRC: "Bell Center" is now Belle Center; it is in Jasper Co., MO, northwest of Joplin and just east of the Cherokee Co., KS, line; William & Bell Connelly were enumerated in Cherokee Co., KS, in 1900, 1905 & 1915 censuses, and their residence at death may have been in Cherokee Co., KS.
William's brothers spelled their surname Connely, not Connelly.
I think William is buried in Union/Ritchie cemetery (for location, see below), but I have never been there so I'm not sure; no Connelly stones were found there in one recording of inscriptions I found online, but it seems that numerous grave sites had no gravestones; on his death certificate it says he will be buried in Fairview.)

Obituary of Arabelle 'Belle' (Garner) Steele, ID = 13461

MRS. ARABELLE STEELE, WHO KNEW ABRAHAM LINCOLN, DIES

Funeral services for Mrs. Arabelle Garner Steele, 86, who knew Abraham Lincoln before he became President, will be held Friday at 3 p.m. from her home at 1017 Rockford road SW, on the site where the family residence had been located since 1899.

Pallbearers are to be Carl Crozer, Lloyd Davis, Earl Mcllvain, Harold Wilson, Raymond Everhart and Carl Krebs. The services will be conducted by the Rev. E. Winslow Brown and the Rev. E. J. Wykle of Olivet Presbyterian church. Burial will be in Lin wood cemetery.

Keen of mind and unusually active for a woman of her age, Mrs. Steele, who was the widow of Frank W. Steele, planted her own garden each spring, taking special pride in her peonies and roses. She enjoyed being in full charge of her home until she fell, breaking her hip on Nov. 15. Blieved to be recovering satisfactorily from that injury, she suffered a heart attack. She died Monday evening in a local hospital.

On a number of occasions when Mrs. Steele was a child Abraham Lincoln visited in her home. His wife, Mary Todd, was first cousin to Elizabeth Todd, mother of the youthful Arabelle who was later to come to Cedar Rapids. Mrs. Steele recalled Lincoln as more handsome than his pictures, but a man whose feet seemed very big when he toasted them in front of the fire, boots removed.

As a girl, Mrs. Steele lived for a short time in a log cabin; and among her souvenirs of the past was a prized hand-carved cream skimmer of buffalo horn, which the Indians gave her for a plaything. Also highly prized was a scarf of blue and gold brocaded silk that her father, Fauntleroy Garner, wore years ago when he sang with Jenny Lind, the Swedish nightingale.

Born in Indiana on July 17, 1853, Mrs. Steele had resided in Cedar Rapids for 41 years.

Survivors are to sons, Otis of Chicago and Ray N. of Cedar Rapids, and three daughters, Cora C Steele of Terre Haute, Ind., Mrs. Howard H. Preston and Mrs. Howard C. Rustad, both of Seattle, and two brothers, Lawrence Garner of Laton, Calif., and Charles Garner of Six Lakes, Minn.

(Note by RRC: Based on other sources, Arabelle's mother was Barbara (Cooper) Garner - I don't understand "Elizabeth Todd, mother of the youthful Arabelle". A typo - "Blieved" should be Believed.)

The Poet of the People

SEASON'S END.

Back to the book-lined study;
back to the Ladies' Aid;
Back to the teas and socials where
speeches must be made,
Goes now the golfing parson to
labor all windy long,
Away from the sun-drenched fairways and the wild birds'
cheery song.

Back to the endless sorrows which
beat at the breasts of all
And the slippery paths of evil
where the weakling mortals
fall;
Back to the phone bell ringing its
summons to share men's
woes,
Away from the best of pastimes
the golfing parson goes.

The wind blows cold from the
northland, snow-white are
the summer greens,
Now drab and bleak and cheerless are the loveliest autumn scenes,
And the hearts of us all grow
heavy once more at the season's close,
As back to his winter labors the
golfing parson goes.

Obituary & accompanying article about Raymond Nenine Steele, ID = 134617

(This transcription began with the one I found online at the F-A-G memorial created by Frank Holmes; I edited that transcription based on the original article published in The Gazette, Cedar Rapids, IA, Tuesday, 25 Oct. 1994, page 2B; his photo not included here, but see it below.)

Ray N. Steele, 101, a resident of Mercy Hallmar, died there Monday morning, Oct. 24, 1994, from complications of age. Services: 2:30 p.m. Wednesday, Turner Chapel West, where friends may call after 1 p.m. Wednesday. Burial: Linwood Cemetery.

Survivors include 11 nieces and nephews.

He was preceded in death by his wife and six brothers and sisters.

Born in Greencastle, Ind., on Feb. 2, 1893, Ray was the son of Frank and Annabelle Steele. The family moved to Cedar Rapids at the turn of the century and resided at 1017 Rockford Rd. SW. After attending Iowa State University, he joined the AEF during World War I. Upon returning to Cedar Rapids, he worked at various jobs as a machinist/mechanic and is credited with inventing the ringless piston. On Dec. 30, 1939, Ray married Emilie Johanna Wendler of High Amana. Together, they resided on Rockford Road for many years, before moving to High Amana in 1971. Ray was a member of First Presbyerian Church, Cedar Rapids, and the American Legion.

(Note by RRC: Based on other sources, Ray was born in Terre Haute, not Greencastle. A typo - "Presbyerian" should be Presbyterian. From other sources, Ray had 7 sibs, all predeceased him. One sister, Hazel, died young, not quite 7 years old, in 1894, when Ray had just turned 1.

On another note, I have only seen Ray's middle name in one document, his WW I draft registration card; it is hard to read, seems to be Nenine, I rather expected it to be Ninian.)

Cedar Rapids inventor, 101, dies

Gazette staff report

Cedar Rapids inventor Ray Steele, a man who headed for his workshop whenever he saw a need, died Monday at age 101 in Mercy Hallmar. *(See obituary this page.)*

In a Jan. 31, 1993, Gazette feature story, shortly before his 100th birthday, Steele described how many of his inventions came about. He cut a lot of wood, he said, so he developed blades that could rip clean through railroad ties. He also liked to hunt and fish, so he devised a hook that could be removed more easily from the mouth of his catch. He made his living working on engines, which gave him the idea for the ringless piston he later patented.

An amateur historian, Steele also kept diaries of names, history, observations and the daily temperature for more than 40 years.

Steele moved from Indiana to Cedar Rapids with his family in 1898. He lived here until 1971, when he moved to High Amana with his now-deceased wife, Emilie.

In the meantime, he stayed busy not only inventing, but also delivering telegrams, working as a mechanic and selling motorcycles. He served in World War I in France.

Cedar Rapids inventor, 101, dies

Gazette staff report

Cedar Rapids inventor Ray Steele, a man who headed for his workshop whenever he saw a need, died Monday at age 101 in Mercy Hallmar. (*See obituary this page.*)

In a Jan. 31, 1993, Gazette feature story, shortly before his 100th birthday, Steele described how many of his inventions came about. He cut a lot of wood, he said, so he developed blades that could rip clean through railroad ties. He also liked to hunt and fish, so he devised a hook that could be removed more easily from the mouth of his catch. He made his living working on engines, which gave him the idea for the ringless piston he later patented.

An amateur historian, Steele also kept diaries of names, history, observations and the daily temperature for more than 40 years.

Steele moved from Indiana to Cedar Rapids with his family in 1898. He lived here until 1971, when he moved to High Amana with his now-deceased wife, Emilie.

In the meantime, he stayed busy not only inventing, but also delivering telegrams, working as a mechanic and selling motorcycles. He served in World War I in France.

Funeral services are set for Wednesday at 2:30 p.m. at Turner Chapel West, where friends may call after 1 p.m. Burial will be in Linwood Cemetery.

Obituaries of Arthur Connely Jr., ID = 1347

(Transcribed by RRC from a photocopy of the original article in The New Leaf, Effingham, KS, Friday, 17 Aug. 1906, page 2.)

Mr. Arthur Connely, one of the old settlers of Atchison county, and one of the most prominent citizens of Effingham, died at his home in this city last Saturday, August 11, at 8:40 a. m.

Mr. Connely had been a sufferer for a number of years from some urinary trouble, the exact nature of which was not fully known until after his death when an autopsy revealed the presence of absesses and gravel in the bladder.

The suffering undergone by Mr. Connely was at times most intense, but he bore it with the greatest fortitude and patience.

Arthur Connely was born in Putnam county, Indiana, September 27, 1829, and died in Effingham, Kansas, August 11, 1906, at the ripe age of 76 years, 10 months and14 days.

He was united in marriage March 14, 1850, to Miss Emily Glazebrook, and to them were born seven children. They are Mrs. Nancy Kimball of Effingham, Mrs. R. A. Reece, of Muscotah, Mrs. C. A. Wright of Fort Laramie, Wyoming, Alfred Connely, of Leavenworth, M. A. Connely of Webster, Chas. Connely of Topeka and S. E. Connely, of Atchison.

In l866 Mr. Connely came with his family to Kansas, settling near Monrovia. The following year they removed to Leavenworth county. In the spring of 1873, he returned with his family to Effingham, in Atchison county, which has since been his home.

The wife of his youth preceeded him across death's river, but his seven children survive him, and thus were enabled to comfort and cheer his declining years, when the ravages of desease and the infirmities of age laid their relentless grip upon him.

The confidence of the community of which our lamented citizen has been so long a resident is indicated by the fact that for eleven years out of a possible fourteen Mr. Connely has been trustee of Benton township. And it must be a soothing, comforting, strengthing thought amid the suffering and infirmities incident to old age, to rest under the assurance of the profound respect and esteem of one's fellowmen because of the faithful performance of public duty.

The funeral services were held last Sunday afternoon at two o'clock in the Methodist church under the direction of Mackey lodge No. 48, A. F. & A. M. of which Mr. Connely was a charter member. Rev. H. I. Miller, of Arrington, preached a most fitting sermon, after which his brethern tenderly bore his remains to their last resting place in the Evergreen cemetery.

(Note by RRC: Based on other sources, he was married on the 12th, not the 14th; several typos - "absesses" should be abscesses, "desease" should be disease, and "strengthing" should be strengthening.)

Obituary of Emily (Glazebrook) Connely, ID = 1347

(Transcribed by RRC from a photocopy of the original article in The New Leaf, Effingham, KS, Friday, 1 July 198, page 1.)

Emily Glazebrook was born in Putnam Co., Ind. Aug. 29, 1831. Was married to Arthur Connely March 14,1850. Seven children came from this union all of whom are now living; she professed religion in her home county early in life and has been a consistent member of the Methodist church ever since. She and her husband came to Kansas in October 1866 and they have lived in this and Leavenworth counties since then. She has been for a long time in poor health and was confined quite closely to her home. Nearly or quite two months ago she became worse, took to her bed and seemed to be slowly but steadily sinking. Her suffering and infirmities did not rob her of her cheerful trustful christian spirit, and she seemed at all times to find sustaining grace from on high. She told her loved ones what they had long known, that she was ready for the coming of death and that she had no fear of the last hour. Early on Sunday morning June 26, 1898, she passed away, peacefully exchanging worlds. The funeral services were held in the M. E. Church, her pastor preached a sermon on the Reward of the Righteous based on a part of the 7th chapter of Revelation, to the large crowd of friends and relatives who were present. Afterward the remains were interred in the cemetery there to await the Resurrection morn and the coming of the Lord.

HER PASTOR.

A. Connely and wife had been married over 48 years. The youngest child of the seven is 28 years old. During this long period of married life the death of the wife and mother was the first to ever occur in this family, an almost unprecedented record. A very large number of near friends and old acquaintances attended the funeral services from city and country to show the last tribute of respect. All extend their sympathy to the family.

(Note by RRC: Based on other sources, she was married on the 12th, not the 14th.)

Mr. Christie was taken very ill Friday night. A doctor who was summoned remained with him almost constantly and another physician was called in consultation, but his case was feared to be hopeless from the beginning. The Christie family came there from Buchanan county, Mo., where Will Christie was born, about twelve years ago. The father, Robert Christie, died there about eight years ago. As a family, the Christies are noted for their kindness and interest in each other, but Will Christie's devotion to his mother and the other members of the family was particularly striking. He leaves a wife, who was before her marriage Miss Onie Connelly, and two little children, the youngest about six months old. Mr. and Mrs. Christie have also given a home to Robert Jones, an orphan boy, for the past year. The funeral will be held Tuesday morning from the home. Interment in Monrovia cemetery,

He leaves a wife, who was before her marriage Miss Onie Connelly, and two little children, the youngest about six months old. Mr. and Mrs. Christie have also given a home to Robert Jones, an orphan boy, for the past year. The funeral will be held Tuesday morning from the home. Interment in Monrovia cemetery.

Obituary of Flora Belle (Smith) Reece, ID = 1347342

(Partially copied from The Loop, Tehachapi, CA, 20 December 2014, online.)

Flora Belle on the wing of AT-6.

Flora Belle Reece, passed away at UCLA Medical Center on Dec. 1, 2014 after complications from a brain aneurysm. She was a wonderful role model, with a high spirit of adventure, love of aviation and outstanding resolve to accomplish her goals. She was always up and willing to participate in any activities that promoted flying or women in aviation. She was often at Plane Crazy Saturday at Mojave Air and Spaceport and was the featured speaker at Plane Crazy Saturday Two at California City Airport in 2012.

Rosemary Jensen of the Antelope Valley Ninety-Nines set up a party for Flora Belle's ninetieth birthday at the Voyager Restaurant on October 21. Four days before she was admitted to the hospital, she was giving one of her talks about the WASP to the 60+ Club at Cal State University Bakersfield.

I watched her give a slideshow about serving with the Women Airforce Service Pilots (WASP) many times. She always began her presentation saying, "The three most important things to me are: God, family and flying."

When I posted photos in memory of Flora Belle on my Facebook page, one woman wrote: "She was my sixth grade teacher and inspired me to get my pilot's license."

During the presentation, she told how the WASP didn't receive any veteran benefits or recognition until 1977 when President Carter signed a bill into Congress granting WASP WWII Veteran status (without full benefits). The women's roles weren't officially recognized as military service. When one of the 'flygirls' was killed in a crash, all of the women had to take up a collection of money to

send the body home for burial. Flora Belle always said that she would have done it for free, just to fly those wonderful airplanes.

Jacquelyn Cochran wanted women pilots to help in the war effort by ferrying aircraft from factories to air bases, to free up male military pilots for combat overseas. Over 25,000 young women applied. Few of them made the cut. Only 1,800 of them were selected and only 1,070 actually graduated to become pioneers, heroes, and role models. They were the first women to ever fly American military aircraft.

Flora Belle always admired birds flying and decided that one day she would be a pilot. Her father was a Baptist preacher, and her mother was a homemaker, pianist and seamstress. She was born in Sayre, Oklahoma in 1924 and grew up on a farm.

With her strong determination she soon began taking flying lessons before she even learned to drive, with the financial help of her brother. After high school she decided to enlist in the WASP.

"Jackie (Cochran) put an ad in the paper requesting that young women interested in flying sign up and help the war effort," Reece said. "At this point I had never flown, and I needed at least 35 hours to qualify for pilot training." Her brother fronted her money for lessons, and next thing she knew, she was at Avenger Field in Sweetwater, Texas, part of class 44-W-4.

She was trained to fly in various military aircraft from the Vultee BT-13, Stearman PT-17 and North American AT-6 to the Martin B-26 performing military missions stateside. Flora Belle towed targets for gunnery practice with Martin B-26 Marauders.

On Dec. 20, 1944, the WASP were disbanded. The WASP, who were not recognized for their contribution back in the 40's, were all awarded the Congressional Gold Medal on March 10, 2010, almost 70 years after the Women Airforce Service Pilots were disbanded with little notice or fanfare. Flora Belle said she would happily give up the medal if it meant she could get more airtime in the cockpit.

Flora Belle's dream plane was the Lockheed P-38 Lightning. She had the opportunity to shine Major Bong's P-38 for him. One time she got to sit in it and have a picture taken. That photo was one of her prized possessions.

After her service as a WASP, Flora Belle married her high school sweetheart, Ralph A. Reece. She was a school teacher, an active member of the community, as well as a missionary overseas. She still dreamed of flying in a P-38, and thanks to her friend, Bob Alvis, a representative of the P-38 Association, was able to fulfill that dream.

Flora Belle Reece – October 29, 2014 at California State University Bakersfield

A Lockheed built World War II P-38 Fighter from the Planes of Famer Museum in Chino made a return flight to its place of origin on April 20, 2004, to celebrate the 60th anniversary of the delivery of the 5000th P-38 built in 1944 at Lockheed Burbank. Flora Belle was riding in the jump seat behind pilot Steve Hinton.

Dave VanHoy, owner of a North American AT-6 took Flora Belle for a flight and she felt right at home at the controls.

Flora Belle and Ralph, her husband of 62 years, had three children... Cheryl was lost in an automobile accident at the age of 16 and Ralph passed away in 2008. Flora Belle had four grandchildren and five great-grandchildren.

She was my hero and role model, she displayed a spirit and grace that everyone would want to emulate.

Spanish War Vet
Found Dead in Car

Don E. Rust, 67, of 215 Jefferson street, Spanish American war veteran and a resident here for more than 12 years, was found dead in his automobile near Long's pond two miles northeast of Fort Collins at about 1p.m. Sunday.

An autopsy performed Sunday evening showed that Mr. Rust died of a heart ailment from which, reportedly, he had suffered for several years. Sheriff Ray M. Barger said today that there would be no inquest.

Mr. Rust had gone for a ride with Earl Dunlap, about 35, of 818 East Myrtle street, at about 9:30 a.m. Sunday, the sheriff reported. The two men had been together Saturday night and early Sunday, and Mr. Dunlap had spent the night at Mr. Rust's home, the former told authorities.

Car Stalled

Mr. Rust's car stalled on a hill near Long's pond and, after attempting unsuccessfully to discover what was wrong, Mr. Dunlap obtained a ride to Fort Collins, returning with his own automobile about 10 a.m.

Efforts to push the Rust car failed and Mr. Rust refused to leave his automobile and return to Fort Collins with Mr. Dunlap. Mr. Dunlap returned here and after a nap, went back to get his companion about 1 p.m. He found Mr. Rust still in the same position in which he had left him in the car and said "his ears were blue." Mr. Dunlap immediately returned here and notified authorities.

Served in Philippines

Mr. Rust was born Feb. 10, 1881. He served in the Philippines during the Spanish-American war. An uncashed government pension check was in his possession after his death. He has been employed as a carpenter here.

Authorities are attempting to find survivors, including two sons, to notify them of Mr. Rust's death. No funeral arrangements have been made. The Balmer & Collins mortuary is in charge.

Obituaries of Charles L. Connely, ID = 13475

(Transcribed by RRC from a photocopy of the original article in The Topeka State Journal, Topeka, KS, 27 Sept. 1906, page 5.)

Charles L. Connely died at his home, 1229 Central avenue, September 24, 1906. He was born in Putnamville, Ind., October 28, 1861. He was a resident of Horton, Kan., for 12 years and for a number of years was a Rock Island conductor. In 1900 he quit the road owing to ill health, and became the deputy for the K. & L. of S., which position he held at the time of his death. Two years ago he went to California, hoping the change of climate would benefit him. The change did not help him and he continued to grow worse and five weeks before his death he returned again to North Topeka to make his home. Although standing in the valley of the shadow of death for years death came apparently without warning, but he was fully prepared and waiting to answer the summons. Mr. Connely possessed a disposition of unfailing cheerfulness and an ever patient spirit, which with his religious faith, makes his memory a blessing to all who knew him. He is survived by his widow, three brothers and three sisters. The funeral was held Wednesday afternoon from the Kansas Avenue M. E. church. Rev. J. A. Stavely, of Junction City, assisted by the pastor, Rev. J. W. Reed, had charge of the services. The burial was in Rochester cemetery.

Maurice was born on May 27, 1933, to Harry and Sophia (nee Siever) Haberer, in Millersburg, Illinois. He began work at Shell Oil in 1952. On October 12 of that same year, he married Sally Schrumpf. In 1953 he was drafted by the US Army and deployed to Wurzburg, Germany where he served his country during the Korean Conflict as a military policeman for two years. While stationed in Germany they were able to spend time traveling to neighboring cities and countries, until he was honorably discharged. RUTLEDGE,
Sue

February 6, 1932-
March 21, 2017

Sue Rutledge was taken by ALS on March 21, 2017.

Sue was born Sue Bunton on February 6, 1932, in Coffeen, Illinois, to Dorothy (Blackburn) and Franklin Bunton. She was "Sue", not Susan or Suzanne, no middle name (befitting her natural modesty). She grew up in Hillsboro, Illinois and graduated from Hillsboro High School in 1950.

Sue married her high school sweetheart, … Rutledge in 1951. They were together for 66 years. … and Sue moved to Spokane, Washington in 1960.

Sue was a very accomplished woman. She was a talented musician. She was a medical technologist and a chemist. She rose through the ranks to become the head of the Chemistry Department at the Rockwood Clinic in Spokane, the first woman to head a department. She worked there for 40 years until she retired, and even then, she continued to work occasionally until recently.

Up until her diagnosis of ALS in November, she enjoyed a lifetime of excellent health. For the past 25 years, Sue lived in the rural area for Four Lakes, Washington, in a house she and … built, 15 miles from Spokane. She stayed busy going to the theatre, jazz and symphony performances, swimming, playing bridge, and she was an active member of Unity Church. Sue and … collected and restored vintage automobiles and were active members of the Early Ford V8 Club Of The Inland Empire.

Sue Rutledge is survived by her husband … her son… a writer in Portland, Oregon, and Stephen's husband … and her many nieces and nephews and friends. She was much loved.

At Sue's request, there will be no service. Instead of flowers, her family requests that donations be made to ALS Association Evergreen Chapter.

(Partially transcribed by RRC from a photocopy of the original article in the Marion County News, Pleasantville, IA, Thursday, 22 May 2014, page 2.)

Jackson Lloyd Bare

Jackson Lloyd Bare, third generation pharmacist and longtime proprietor of Bare's Drug in Pleasantville, passed away peacefully, at the age 96, on the evening of April 7th with family members at his bedside. He and his wife, Cynthia, had moved from Pleasantville to the Seatle area in 2003 to be close to their daughter… and her family. Cynthia had passed away in 2006. A memorial service for Jack was held on April 13th.

Jack Bare was born in Pleasantville on June 14,1917, the only child of Lloyd and Fern Bare. He attended school in Pleasantville and earned his Pharmacy degree from Drake University in Des Moines. On June 11,1939, he married Cynthia
May Hunt of Knoxville.They had 2 children - Lloyd born in 1941 (now deceased) and… born in 1943. At the sudden death of his father in 1946, Jack had to take over the operation of the family drug store much earlier than he had anticipated at the age 29. With Cynthia as his partner, he operated Bare's Drug until 1983 when he turned over primary responsibility to his son, Lloyd. Even so Jack was still active in the business for many more years.

Bare's Drug was a longstanding fixture in Pleasantville. Although his primary purpose was to provide his customers with prescription medications, Jack also sought to fulfill other needs of his rural community as well. At various times he stocked veterinary supplies, paint, hardware items, and variety store items. For years there was a soda fountain that was a gathering place for many a youngsters. After the store was remodeled and the soda fountain removed, full lines of gifts and clocks were introduced. In 1988, Jack and Cynthia celebrated the 100th anniversary of Bare's Drug hosting a barbeque in the town square that was attended by hundreds of people some from a number of states and even from Germany.

Even though operating Bare's Drug was a full time endeavor, Jack was totally committed to the well being and betterment of the economic, civic, and religious aspects of his community as evidenced by the following: Chairman of the Trustees of St.Paul's United Methodist Church and Treasurer of its Board for many years; member of the Marion County Board of Health and Director of Mental Health for the Southeast Iowa District; one of the organizers of Farm and Town Industries and then serving as its President; active in organizing the Marion County Savings and Loan Association, serving as its first President and then as its Chairman of the Board; Vice President of the Iowa Agricultural Development Corporation; Treasurer of the Iowa Pharmaceutical Association; President of the Pleasantville Commercial Club; Chairman of program and financial drives for the Boy Scouts also serving as Scoutmaster. And the list goes on.

Because of his many voluntary activities on behalf of his community, Jack received many honors over the years. But the one that he treasured the most was the A. H. Robbins "Bowl of Hygeia"

award as the outstanding pharmacist in the state of Iowa in 1974. For all his activities, Jack placed most importance on his being “The Pharmacist” serving his community.

An outstanding example of Jack’s humanitarian nature follows: Gertrude was a German girl who married an American soldier after World War II and came to live in Pleasantville. On learning that she was tremendously homesick to see her family, he organized a drive to raise funds to send her and her son to Germany for six weeks. A Gertrude Wares Day was established and funds were raised. When Jack learned that the drive fell short of the necessary expenses, he personally provided the remainder.

After their son, Lloyd, took over the day-to-day operation of Bare’s Drug, Jack and Cynthia had a greater opportunity to continue their extensive travel. Along the way, they met a number of people who became good friends. Jack provided the opportunity for a number of family trips from a fishing experience in Lake of the Woods, Minnesota to an activity filled excursion in the southeast Utah area to
bi-annual trips to Dubois, Wyoming where family members from various parts of the country could enjoy each other’s company.

Jack is survived by his daughter… her husband… and his daughter-in-law… as well as six grandchildren, twelve great-grandchildren, and three great-great-grandchildren.

2 Oregon Pioneers, Both 80, Pass On At Homes in Baker

Baker, Nov. 15. - Two more names were added Thursday to the list of early day Oregon residents who have gone beyond, when S. A. Logan and Mrs. W. B. Willoughby died in Baker. Both were 80 years old.

Mr. Logan was born in Tennessee, December 16, 1839, and crosses the plains as a boy, when Oregon was still a territory, passing through Baker county en route to Lincoln county, where he lived until 20 years ago and where he was engaged in the coastwise shipping business at Newport. Besides his wife, three children, Mrs. Alice Waugh, Mrs. Ollie Hampton and Mrs. Sophie Wells, all living in Lincoln county, and six stepchildren, survive. Funeral arrangements will be made upon receipt of word from the children.

Mrs. Willoughby was born in Wayne county, Pennsylvania, November 27, 1839. Of her 12 children, seven survive - G. W., S. L. D. and J. W. Adams of Baker; T. B. B. Adams of Portland, S. L. Adams of San Francisco, Mrs. M. E. Worley of Twin Falls, Idaho, and Mrs. Clarria Gardner of Baker. Mrs. Willoughby came to Baker county in 1881.

Funeral services for Mrs. Willoughby were held this afternoon.

(Note by RRC: Based on other sources, Sam was born in Indiana, not Tennessee; by my calculation, he was about 1 month short of 80 when he died.)

ALLAN M. LOGAN RESTS IN PEACE

Unexpected Death of Young Lumberman Shocks Many Friends. Died in Portland

The numerous friends of Allan M. Logan were shocked Saturday to learn of his death that afternoon, in a Portland hospital, where he had been taken for special treatment and diagnosis for a baffling ailment a few days before. The Portland specialists were unable to determine his trouble, but his death was not expected, although he had been ill for several months. On Saturday afternoon he fell into a coma and passed the Great Divide without regaining consciousness. An autopsy revealed the cause of his death to have been a tumor on the brain.

The body arrived here Monday afternoon, and was met by members of the Elks lodge, who escorted the remains to the Whiteside chapel. The funeral was held Tuesday afternoon, services being held in the Elks lodge room, Rev. F. F. W. Greene, rector of St. Andrew's Episcopal church, officiating, and the remains were carried to their final resting place by A. L. McLean, Leon McNeil, A. G. Philbrick, William T. Moffat, Carl Gylling and Cecil Bell.

Allan M. Logan was one of the best known young lumbermen on Grays Harbor, and was connected for a number of years with the S. E. Slade Lumber Co., and more recently with the Carlisle Lumber company at Carlisle. He was born at Newport, Oregon, about 34 years ago, and was married 10 years ago to Miss Daisy Coffin at Seattle. Besides his wife, he is survived by his father and stepmother and several brothers and sisters. His parents and Mrs. H. Coffin, of Portland, mother, and Mrs. A. McEaehern, of Kelso, a sister of Mrs. Logan, came to Aberdeen to attend the last sad rites.

(Note by RRC: Based on other sources, “Allan” should be Allen & “McEaehern” should be McEachern.

I found the last sentence in this obituary a bit difficult to understand when I first read it. What I believe it says is that not only did Allen’s parents go to Aberdeen to attend the last rites, his former mother-in-law, Mrs. Helen (Zimmer) Coffin, & his former sister-in-law, Mrs. Effie (Coffin) McEachern, also went.)

(Transcribed by RRC from a photocopy of the original article in the Lincoln County Leader, Toledo, OR, Friday, 31 March 1916, page 1.)

Ira Clark Hampton died at the home of his parents in Newport Sunday morning, March 20th, at 10 o'clock, aged 42 years. He was born in Nebraska April 26, 1874. Came to Forest Grove with his parents when a small boy and from there the family moved to Newport about thirty years ago, where he grew to manhood. About a month ago he went to Portland for an operation. When the operation was performed the surgeons found a more serious condition of things existed and he was sent home to recruit, but he gradually grew worse and in his weakened condition typhoid fever set in and it was soon apparent he could not live. Ira was well known in Newport, where he has a host of friends. Here he was united in marriage to Miss Olive Logan, and to this union one child was born, Omar, who is now 9 years old. He is survived by two sisters, Mrs. Buxton, who lives at Forest Grove, and Mrs. Charalton, who lives at Lagrand, his father, mother, wife and little son. The funeral services were under the direction and auspices of the Masonic lodge of Newport, and, by request of his wife a part of the service was conducted at the undertaking parlors of Hollingsworth & Hartley. Rev. F. O. Jones of the Episcopal Church officiating, and at the cemetery the beautiful and impressive burial service of the Masons was observed. The floral offerings of friends were delicate and beautiful. He was also a member of the Rod and Gun Club. About forty of the members of this Club attended the funeral in a body. The Masonic lodge of Toledo was well represented by the following friends of the family: Henry Howell, George McCluskey, George McCanton, W. E. Ball, Jim Ross, Edward Clark, W. E. Peterson, Clarencc Ofstedahl, C. O. Hawkins and Bert Geer. The singing was conducted by James Ross, Elmer Patrick, Roy Baynard and Bert Geer. The bereaved family and especially the aged parents, have the deepest sympathy. The members of the family were all present except the sister at Lagrand. Mr. Hampton, Sr., is 84 years old and his wife 82. Mr. Hampton is very feeble.

(Note by RRC: I suspect "recruit" should be recoup & "Omar" should be Othmer.)

Born Violet June Custer in Denver, CO, the fifth of six children. Violet grew up in the small mining towns of Victor and Cripple Creek, CO. Her mother passed on when Violet was sixteen months old and her father and older siblings raised her. Her father was a gold miner. Violet traveled to San Francisco to visit a brother and met his friend Bill Tomaselli. Two years later she married her only soul mate, William Angelo Tomaselli, in 1935. He passed on in 1979.

As a loving and selfless mother, Violet is survived by her four children and spouses… and her ten grand children and ten great-grandchildren.

In 1953 Violet and Bill settled in Fort Bragg, CA with their family. Their home was always filled with music. Violet loved to cook, sew, and embroider. She embroidered many shirts for family members. She painted beautiful seascapes and landscapes in oils and watercolors. Violet loved flowers, especially roses, and always had a beautiful flower garden for all to enjoy. She also loved home decorating and was always reorganizing and redecorating.

Violet and Bill owned and operated the Woodside Trailer Park in Fort Bragg, CA for fourteen years and retired in 1976.

As a dedicated Christian Scientist, Violet's life was a celebration of Love of God and family. Her faith remained a steadfast beacon throughout her life. For over forty years she served the Fort Bragg Christian Science Church in many varied capacities.

In 1995 Violet moved from Fort Bragg to Boise, ID to be with her daughter… and grandchildren. She returned to Santa Cruz in 1998 to be with her two youngest grandchildren and sons… Her grandchildren filled her latter years with activity, joy, and vitality. Violet loved family gatherings, listening to her sons playing the guitar and singing. This was a family tradition carried down from her brother, Bud, and husband, Bill. She loved playing bridge and beating her son at cribbage!

Violet will be deeply missed by her family and friends.

A Mother's Love by Thomas A. Tomaselli
05/27/02
You bear the pain to bring forth Life,
Into this world of Love & strife, Selflessly giving, teaching & sharing,
Endlessly watching, listening, & caring
'Tis a higher sense that heeds the call, For something greater
must govern us all.
A lifetime spent searching & praying, Daily watching & demonstrating.
'Tis Eternally simple for some you know,
Others must work to understand & grow, Divine Love is a very simple plan.
You give to get,
All things are met,
In time you'll see,
Eternity.
We Love you forever Mom.

There will be no memorial service at Violet's request. In lieu of flowers, contributions may be sent to the First Church of Christ, Scientist, P.O. Box 725, Fort Bragg, CA 95437.

Kenneth Fred Lynn

St. George

On the evening of Monday, December 26, 2016 we were saddened by the loss of our family patriarch. He was the strength and foundation of our family. We were blessed to have him pass peacefully at home with his family by his side after battling cancer and Parkinson's in these last few months of his life.

Kenneth Fred Lynn was born on July 16, 1933 in Mona, Utah to Fred and Viola Lynn. He was the first born of six children and was raised on a farm where he learned at an early age how to be responsible and the importance of hard work.

After graduation from Juab High School, Ken worked at Dugway Proving Grounds for one year. He then joined the Army in 1952 and went to Korea, where he was a ballistic meteorologist. He was discharged in 1954 and moved to Phoenix, Arizona where he attended college. Ken started selling cars in Scottsdale, Arizona in 1958 and decided to make the car business his career. While in Scottsdale, he met… and they were married in 1969. Their marriage was later solemnized in the Manti Temple and in March they would have been married for 48 years. They then moved to Reno, Nevada, where Ken was the general manager of the Ford agency for eight years. His greatest accomplishment work wise, was that he was the number one Ford dealer in the San Jose district in 1974 and 1975.

In Reno, he enjoyed coaching his sons Little League and Babe Ruth baseball teams and won the state championship three times. In 1980 their family moved to St. George, Utah where he opened his own car dealership, Lynn's Auto Sales, which was in business for nearly 20 years. Ken retired after 50 years of being in the car business.

His favorite hobby was golf and he won several tournaments in Reno and St. George. He also had five hole-in-one's. Ken and… enjoyed being members of the Bloomington CC for many years. They also loved their many golf trips around the country; favorites being Branson, Missouri and Bella Vista, Arkansas.

Ken was a member of the Church of Jesus Christ of Latter-day Saints.

Ken is survived by his wife… his children… 19 grandchildren, 32 great grandchildren, 2 great great grandchildren, one sister… 3 brothers…

He is preceded in death by his parents, one brother, Kirk Lynn and one son, James Lynn.

(Transcribed by RRC from a photocopy of the original article in the Missoulian, Missoula, MT, 12 April 2011, page B3.)

FLORENCE - Reta L. Smith, 99, of Florence, died on Saturday, April 9, 2011. Her body gave out, but her spirit was strong to the end.

Reta was born in Medical Springs, Ore., on Nov. 17, 1911, to her parents George and Anna (Lane) Harsin.

Reta's favorite pastime was helping others, particularly taking care of children. Whether it was her kids or a neighbor's kid, it didn't matter, and they were all provided for at "Grandma's" house. Reta was still taking care of children at the age of 91, before she moved to Montana. She traveled from Oregon to Arizona, to Alaska, and to Washington in order to care for, and help out, members of her family. Reta was of pioneer stock and was self-reliant until she was 97. Her hobbies included sewing, cooking and crocheting. Flowers never failed to bring her joy.

Raised on Muddy Creek just out of Haines, Ore., Reta attended Baker High School and married Martin (Merl) Smith in 1928. They resided on Muddy Creek and then near Medical Springs, Ore., until their divorce in 1950.

During her life, Reta worked as a telephone exchange operator, postmaster, grocery checker, restaurant cook and restaurant owner. Reta was a self-sufficient woman, providing for her family and others through hard work and selfless love.

Reta is preceded in death by her parents; siblings Laura, Bill, Harold, Roy and Allen; her daughter Anna Mae; her great-grandchild Charles; and great-great-grandchild Jeremy.

Reta is survived by her daughter Vernuel Powell of Vancouver, Wash.; her sister Leila Svendsen of Seattle; grandchildren Bob (Cindy) Ensminger of Lolo, Crystal (Ray) Hurbi of Fairbanks, Alaska, Daryl Ensminger of Fairbanks, Glen Menges of Greenville, N.C., and Allen (Michelle) Yerkes of Eagle River, Alaska; and numerous great-grandchildren and great-great-grandchildren whom she loved and talked about to her last day. She loved all her children, "one and all, all the same" she would say.

A special thanks to the staff at Missoula Manor and Kathy's Place for their outstanding care and attention to Reta during her last years.

There will be no funeral services.

Condolences may be left for the family at www.whitesittfuneralhome.com.

Lori Anna Harsin Williams

Sept. 27, 1951 - July 19, 2017

Lori Anna Harsin Williams passed away July 19, 2017, at Lodi Memorial Hospital, from complications of liver disease. Born September 27, 1951, in Wallace, Idaho, Lori was a light hearted and compassionate daughter, wife, mother and grandmother with a love for her family, music and animals. She moved to California where she met and married… father of her daughter… born in 1975. Lori's career spanned 30+ years in several departments and various capacities. She ended her career as a financial analyst with the City of Stockton. It was at work where she met the love of her life… In April 2005, Lori became grandmother to… Lori, a life-long musician, once said that Hell must be a place without music. As a youth, Lori played piano and guitar by ear and absorbed her father Al Harsin's widely admired stride-piano method. With her comic wit and ability to sing and harmonize, Lori's performances of her original songs were a delight to family and friends. In addition to music, Lori was also a passionate animal owner and advocate. Lori rescued countless birds and stray dogs and vowed never to turn away a dog in need. Lori is survived by her husband… daughter… and family. Lori was preceded in death by her beloved father Allen Lewis Harsin, who we believe was waiting at Heaven's Gate with outstretched arms. Lori leaves us all thankful to have known and loved her. Her gifts of kindness, nurturing, wit and musical ability will be missed but fondly remembered.

A private Celebration of Life will be held on August 26, 2017. In lieu of flowers or gifts, the family requests that donations be made in her name to Lori's favorite charity, Pets n' Pals Animal Shelter located in Lathrop, CA. An online guestbook can be signed at www.deyoungchapels.com

Death notice of James Henry Strouse, ID = 135252

(Transcribed by RRC from a photocopy of the original article in The Indianapolis Star, Indianapolis, IN, Sunday, 13 March 1910, page 6.)

Logansport Man Who Played Tunes on Whistle Summoned by Death With Hand on Throttle.

LOGANSPORT, Ind., March 12. - Opening the throttle of his engine to take out his train today, James H. Strouse, veteran Vandalia engineer, fell back dead, heart disease being the cause.

Strouse was known from one end of the Vandalia to the other as "Sallie Strouse, the musical engineer." He was a natural born musician, played in a Logansport band for a time, and when on the road exercised his talent on the whistle of his locomotive. It is said of him that he could play "Nearer, My God, to Thee," on approaching a dangerous road crossing, and "Home, Sweet Home," as he entered the yards here.

The peculiar imitations of his whistle made him known to every railroad man on the line, and every one knew when "Sallie" was coming into town, and even country people along the road came to know the "Musical Engineer."

Obituary of Alexander Thomas McClaughry, ID = 1352b

(Transcribed by RRC from a photocopy of the original article in the Lincoln County Leader, Toledo, Lincoln County, OR, Friday, 19 Sept. 1919, page 1.)

IN MEMORY

Died, at his home half-way between Toledo and Newport, September 13, 1919, Alexander Thomas McClaughry, aged 65 years. Deceased was born in Washington county, New York and came to Yaquina Bay in 1867.

He was married to Isabell Logan, May 20, 1883. He is survived by Mrs. McClaughry, six daughters and two sons: Susie Rhoades, Jessie Boone, Bertha Moore, Josephine Faust, who lives in Tacoma, Goldie Voight, Wm. T., and Eza, all of Lincoln County.

Mr. McClaughry was a pioneer and was possessed of the sterling qualities characteristic of the early settlers of Oregon, viz., courage, generosity, hospitality and honesty. No one ever asked a favor of Alec McClaughry and failed to get it if able to grant it. He was not a money maker, but he had qualities of heart and soul that were far better, love, sympathy, cheerfulness, kindness -to his family, and every thing around him.

Many years ago he had an attack of asthma, from the effects of which he never recovered. Four years ago he had a stroke of apoplexy that paralyzed one side. From that time on, till his death he was helpless and had to be waited on by the family. If the kindness and sympathy of Mrs. McClaughry during these long years and the love and help of the children is an evidence of devotion and love for the parent, then Alec McClaughry was peculiarly blessed.

His neghbors were kind also, and helpful to him and especially is this true of Mrs. John Nye, who never failed to respond when the McClaughry family needed help in their sickness.

Rev. C. R. Ellsworth conducted the funeral services and spoke words of cheer and comfort to the bereaved family. Although not a member of any church, Mr. McClaughry tried to practice the golden principles of the beautiful sermon on the “Mount.”

The floral offerings of friends were very beautiful and expressed deeper than words the love and sympathy for the One who had passed on to a higher and more, beautiful life.

Mr. McClaughry held a policy in the W. O. W. A good many members of that order were present at the funeral, especially from Toledo. The interment took place in the Eureka cemetery.

(Note by RRC: Based on other sources, “six daughters” should be five daughters; “Faust” should be Foss; “Eza” should be Ezra; a typo - “neghbors” should be neighbors.)

DESCENDANTS OF ALEX MCCLAUGHRY AND SABRINA ISABELLA LOGAN

1. The first child was Susan Gay. Since she was born before her parents were married, she used her mother's maiden surname of Logan. Until they were married, and for an unknown time thereafter, she was raised in the Logan home. ... We always called her 'aunt Sue'd' (sounding like 'sewed'). Others called her Susie--and some called her 'Buck'. ... We were fortunate to have seen her twice in her late years, but unfortunately WE were not the least bit interested in family history at the time.

Obituary & funeral notice for John D. Logan, ID = 1352e

(Transcribed by RRC from a photocopy of the original article in the The News-Review, Roseburg, OR, Thursday, 24 Sept 1942, page 1.)

Aged Canyonville Man Found Dead Of Bullet Wound

John D. Logan, 78, for 25 years a resident of the Canyonville community, where he lived alone in a farmhouse about a mile and a half from town, told friends last night he would "take care" of himself, when they proposed his removal to the county hospital at Roseburg for treatment of illness. This morning friends found him dead with a bullet wound through the head and a pistol lying beside him on the bed, Coroner H. C. Stearns reported.

Victor Shaw and Don Lilja, neighbors of Logan, told the coroner, the officer reported, that they were concerned by Logan's illness and proposed last night that he permit them to remove him to the county hospital. Logan said there was no hurry, adding "I can take care of myself tonight," the coroner was told.

Logan, a neat housekeeper, had placed a protective covering over the bed before ending his life, the coroner reported. His body was discovered by Shaw and Lilja this morning.

He had no close relatives but is believed to have some nieces and nephews in the Oregon coast area, Stearns reported.

The case was investigated by the coroner, aided by Clyde Fisk of the state police and Deputy Sheriff Bud Carter.

The body was removed to the Roseburg Undertaking company parlors in Roseburg.

(Note by RRC: By my calculation, John was 77, not 78, at his death.)

Services Held for Ed Logan at Chapel Thursday

Edward M. Logan, 67, passed away in Toledo Tuesday, June 23.

Mr. Logan, the son of Mr. and Mrs. William Logan, was born at Grand Ronde, Oregon, June 6, 1869. While yet a small lad he came to this section which was then part of Benton county, and located with his parents on the Logan homestead, now owned by Ray Jenkins, on the highway between Toledo and Newport. Here he grew to manhood and remained until the parents had passed beyond, and the remaining members of the family had scattered, in accordance with their selected lot in life.

Mr. Logan then came into Toledo and made his way by assisting in various mercantile businesses, filing saws and such other work as came within his ability. From infancy Mr. Logan was crippled in his lower limbs and feet, but this handicap in no wise cast a shadow across his sunny disposition. Jokes and pranks were always in order with Ed, both to give and to receive.

He leaves behind a sister, Mrs. A. McClaughery of Toledo, a brother, John, of Canyonville, Oregon, and other relatives of Waldport and Toledo.

Funeral services were held at the Bateman parlors in Toledo at 10 a. m. today with Matthew W. Alley officiating. Interment was made in the Toledo cemetery.

(Note by RRC: From other sources, Ed was born in Toledo, not Grand Ronde.)

Obituary of Eliza Jane (Evans) Logan, ID = 1353

(Transcribed by RRC from a photocopy of the original article sent to me by Garnet Stokesberry.)

Mrs. Eliza J. Logan

"Blessed are the dead which die in the Lord from henceforth: yea, saith the Spirit, that they may rest from their labors; and their works do follow them." Eliza Jane Evans was born near Knoxville, Tenn., February l5, 1820. When she was 12 years of age she moved with her parents to Putnam county, Indiana. In 1844 she again moved westward and settled in Davis county, Iowa. The same year (1844) she was unite in marriage to Arthur Logan with whom she lived in happy wedlock until February 1865 when Mr. Logan passed away. In 1845, Mr. and Mrs. Logan settled in Wapello county, Iowa and in 1852 they moved to Apanoose county in the same state. To them were born 11 children, seven of whom, three sons and four daughters, W. B. Logan of Corydon, Iowa; S. L. Logan and R. C. Logan of Smith Center, Kan.; and Mrs. Perry Stafford, Mrs. F. M. May and Mrs. J. C. Goodale, of Smith Center, Kan.; and Mrs. Lizzie Coats of Franklin, Nebr., were with their mother during her last illness. The others have preceeded their mother into the world beyond. In the fall of 1878 Mrs. Logan came to Smith county, Kan., to which place most of her children had preceded her. Here she lived until the time of her death January 4, 1908, aged 87 years, 10 months and 20 days. She leaves seven children, 45 grandchildren and 25 great-grandchildren and a host of friends to mourn her loss. In early life when about 13 years of age Mrs. Logan dedicated her life to the service of God and united with the Presbyterian church. Her christian life and conduct were exemplary, her faith and trust in her Savior strong, and even to the end of her long life her chief joy was to be present in the sanctuary at the hour of worship. The funeral service was held Sunday afternoon January 5, 1908, at 2 o'clock in the Presbyterian church, of which denomination she had been a member for more than 75 years. The pastor, Rev. R. H. MacCullough, conducted the service. After which a large concourse of relatives and friends followed the remains to Fairview cemetery to pay their last respects to one whom we all loved for her kindness, her thoughtfulness and her christian life.

ON CHRISTMAS DAY

EVENTS SADDEN YULETIDE FOR SMITH CENTER

GRIEF COMES AT HOLIDAY TIME

Final Summons for W. H. Marsh, Frank May and Allie Zimmerman, Beloved and Long Time Residents of Smith County.

The usual joys incident to the Christmas festivities were saddened for Smith county people this year by the death or three well beloved and long time residents. While all the world was commemmorating the birth of the Babe of Bethlehem, the final summons came for Francis M. May, pioneer and soldier for the Union during the Civil war. Death, in its endless round, also took to his final reward William H. Marsh, early settler of Harvey township, but during the enfeebled days of advanced age a resident of Gaylord. In the early hours of the morning it also closed for the last time upon earthly things the eyes of a lady beloved of all our people, Allie Zimmerman, at the home of her sister, Mrs. Edna Marty.

Francis M. May

Francis Marion, Son of James W. and Mary Ann May, was born near Winchester, Ill., Nov. 16, 1842, and died at his home near Smith Center, Kansas, Dec. 24, 1928, being at the time of his death of age 86 years, one month and eight days. He moved with his parents to Iowa when a child and later to Adair county, Mo., where he grew to manhood. He was of a family of eleven children, only two sisters of whom survive. When nineteen years of age he enlisted in the Union army, serving in Company A, 27th Missouri Infantry from Aug. 7, 1862 till June 27, 1865, when he was honorably discharged. He participated in the campaigns in and around Vickburg, Lookout Mountain, Mission Ridge and was with Sherman on his famous march to the sea. He also marched in the grand Review inWashington at theclose of the war.

Returning to his home after the war he was married to Mary Jane Logan on Jan. 1, 1868. To this union were born three children, Mrs. Lena Peck of Smith Center, Mrs. Belle Miller of Kamloops, B. C., Canada, and Arthur who died in 1924. He was married the second time on Feb. 27, 1870, to Amanda Logan, who died in 1918. To this latter union were born eight children, all of whom survive. They are Walter H. of bend, Oregon; Mrs. Neppie Gardner of Republic, Wash.; Mrs. Tressa Johnson of Tyler, Montana; Fred, Harry, Hattie and Sevier of Smith Center, and Mrs. Ethel Glamann of Junction City.

Mr. May came to Smith county in 1873 and located on a homestead three and a half miles northwest of Smith Center, and he lived there continuously until his death. As a pioneer he was

active in the development of the country and took an active part in church work, being a charter member and a trustee of the first community church in Smith Center. Later on when the First Christian church was organized he became a charter member and maintained his membership there at the time of his death. He had been afflicted with blindness for nearly twenty years but always took his affliction cheerfully and never complained, though for several years he had been in frail health with ailments incident to old age. He often expressed his desire to be taken home to his Lord and Savior in later years, feeling that his work on earth had been completed.

Funeral services were held, Wednesday afternoon, from the Christian church, the service being in charge of an old friend and pastor, Rev. A. L. Drummond of Norton. Interment was in Fairview cemetery.

(Note by RRC: From other sources, Amanda Lucretia (Logan) May died in 1915, not 1918.)

Walter Dowd is Dead.

A telegram yesterday afternoon apprised Mr. and Mrs. Henry Peck of the death of their son-in-law, Walter Dowd, in Kansas City. They did not know that he was seriously ill, and the supposition is that he died of influenza. About a year and a half ago he married Miss Roxie Peck in this city, and the two continued to live here until last spring when they moved to Kansas City. Walter, at the time he took ill, was working in an auto school there. His body is expected here tonight, and it is likely the funeral will be held tomorrow.

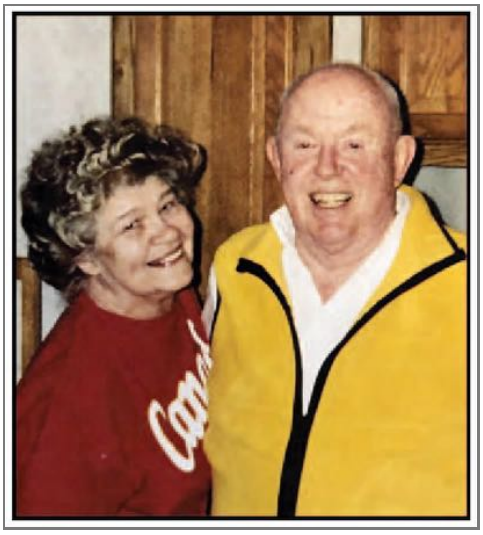
Obituary of Lawrence Francis 'Larry' Pryor, ID = 13531222

(Partially transcribed by RRC from a photocopy of the original article in The Spokesman-Review, Spokane, WA, Sunday, 3 June 2019, page C5.)



PRYOR, Lawrence Francis (Age 88)

06/30/1931 -05/19/2019

Sunday afternoon Larry ran his last race on the great racetrack in the sky taking his last checkered flag. Congratulations.

Born in Spokane, Washington on June 30th 1931 to Myrtle Pryor (Mae) and John Henry Pryor. He spent his first few years of life in the Spokane area. His parents divorced and he and his brother moved with his mother to a different town in Washington where she worked as a schoolteacher.

Larry joined the National Guard at the Fairchild Air Force Base in Spokane; his group was activated during the Korean conflict and was sent to England. He was honorably discharged as Sargent class. He then moved to the Portland, Oregon area to join his dad in the business of ambulance and towing. It was at this time he met his future wife … whom he would share 65 years of marriage with. They were married in Boring, Oregon and made home in Gresham, Oregon.

The first of their sons, … was from Gresham, Oregon followed by … Larry's dad sold the ambulance business and he went out on his own moving to Spokane, Washington to work for a separate ambulance service. Due to illness he moved back to the Gresham area where he continued his career in the ambulance business after getting back on his feet. After a successful time in Gresham he moved to Yakima, Washington to pursue another opportunity in the ambulance service.

On February 1st, 1961 the first private ambulance business was established as the Yakima Ambulance Service. It was the beginning of modern emergency services for the Yakima area. Later on his son … bought the Yakima Ambulance Service and ran it as Yakima Ambulance eventually

selling it to AMR. In June of 1961 Larry experienced an ambulance standby at the Yakima Speedway, it was then he decided auto racing would be for him. With a lot of help from his four sons and sister-in-law they all worked together to turn Larry's car into a racecar. … was not happy. That began his racing career, from 1961-2001 Larry helped bring NASCAR to the Yakima Speedway and the surrounding area. He raced with many of the top drivers ranging from Washington to the Mid West. Larry was always asked, "Which comes first, driving Ambulance or Racing?" After retiring he moved to Priest Lake, Idaho where he enjoyed many summers and wintered in Arizona. He eventually settled down in Union Gap, Washington.

Larry is survived by his wife … his four sons, … three granddaughters, … two grandsons, … two great-granddaughters, … and great-grandson, …

Larry was preceded in death by his father John H. Pryor, mother Myrtle Pryor, step mother Bernice M. Pryor and brother John A. Pryor.

A special thank you to Rebecca who helped mister man.

A celebration of life will take place June 13th 2019 from 5p.m. to 7p.m. at the Yakima Speedway (1600 Pacific Ave, Yakima, WA 98901).

(Note by RRC: Based on other sources, “Mae” should be May; by my calculation, the 65 in “65 years of marriage” should be 63; I was surprised that four, not five sons, survived him.)

Obituary of William Baxter Logan, ID =13532

(Transcribed by RRC from a photocopy of the original article sent to me by Garnet Stokesberry; obit was published - along with his picture - in a Corydon, IA, newspaper.)

IN MEMORIAM --W. B. LOGAN

Funeral services for the late Wm. B. Logan were held Thursday afternoon at the M. E. church in the presence of a large number of sorrowing friends and relatives. He was one of the pioneers and highly respected citizens of this community. The following obituary was read at the services by Rev. A. P. Keast and the remains were tenderly laid to rest in the Corydon Cemetery.

William B. Logan, the oldest son of Arthur and Eliza J. Logan, was born in Wapello County, Iowa, Jan. 30, 1848. At the age of eight he moved with his parents to Centerville, Iowa, when that town was in an early stage of development. At fifteen years of age he was left fatherless to share the responsibilities of a large family. In 1873 he was married to Rachel Etta Zinn, and in 1878 moved to a farm near Harvard, Iowa, making this their home until they retired to Corydon eleven years ago.

Eight children were born to this union, four boys and four girls; Edgar of Lineville, Iowa, Ola Prince of Guthrie, Okla.; Hallie Krouse and Rena Smith of Corydon; C. C. of Scott City, Kans; Cora E. of Torrington, Wyo.; Roy Z. of Powell, S. D.; and W. Lester of Corydon. He is also survived by eighteen grandchildren.

While enjoying the festivities of Christmas day, with his children and grandchildren who lived near, he was suddenly stricken with paralysis, from which he never recovered. He was taken to the home of his daughter, Mrs. Charles Smith, on March 6th, where he was cared for by his companion and children. All that loving hands could do would not suffice, and he was taken home to his Savior March 25, 1925.

In 1923, Mr. and Mrs. Logan celebrated their Golden Wedding anniversary, all their children being present at that time. The going of Mr. Logan is the first break caused by death in this immediate family.

The influence of a Christian home was a factor in his early conversion in the Presbyterian Church at Centerville, Iowa. As a young man his activities in Christian work, especially in the Sunday School, was outstanding. All through life he was an ardent worker in the church, and the family altar, which was established with the home, was never neglected. He was always regular and faithful in church attendance until his health and hearing was impaired.

Mr. Logan's character and influence was a decided asset to any community, never seeking popularity, but never afraid to take a stand for right.

Besides his immediate family he is survived by two brothers and three sisters, of Smith Center, Kans., one brother being present for the funeral.

(Note by RRC: There is a Lineville in Wayne Co., IA, which sits on the IA border with MO; just south of Lineville is South Lineville, in Mercer Co., MO; Bina Edgar Logan, 1st born of William & Rachel (Zinn) Logan, was enumerated in South Lineville in the 1930 census. Based on other sources, William died on the 16th, not the 25th.)

Obituaries of Rachel Etta (Zinn) Logan, ID =13532

(Transcribed by RRC from a photocopy of the original article sent to me by Garnet Stokesberry; obit was published in a Corydon, IA, newspaper)

Rachel Etta Zinn Logan

Rachel Etta Zinn was born at Zanesville, Ohio, April 12, 1850 and died at the home of her daughter Mrs. Ola L. Prince at Guthrie, Okla., on July 20, 1941, at the age of 90 years.

At an early age she came west with her parents and located in eastern Kansas. Later the family moved to Centerville, Iowa, where most of her youth was spent.

In 1872 she was married to Wm. B. Logan. To this union eight children were born. Their devotion to their children included first of all Christian ttraining in the home. They established the family altar whiche was maintained throughout their life together. While Christian education came first for their children, Mr. and Mrs. Logan did not neglect the circular educational needs, for even in those days every one of their children received a high school education.

When Mr. and Mrs. Logan moved to Wayne County and located near Harvard in 1877, where they lived for 41 years, there were no schools or churches in the community. But they were active in helping to organize and build the first church in the community which was a Methodist Church. They also helped to build the first school house in that locality.

Mrs. Logan's influence in training her children was of such a nature that it resulted in the establishment of a family tie which has continued through the years. For even though all the children now living have homes of their own and reside each one in a different state, at the present time, this family tie is perpetuated by the family letter each month which was instituted by the family altar.

Besides her faithful devotion to her own family, Mrs. Logan was always ready to minister to a sick neighbor or help someone in need. Her greatest enjoyment in life was found in reading the scriptures, which she did every day; and the greatest aim of he life was to follow its teachings. We feel that the reward for such high Christian motives was manifested in her beautiful passing from this life to the future one with a peace and confidence in God which surpass words of expression.

Her husband Wm. B. Logan, her son Edgar and her daughter Rena preceded her in death. The surviving members of the family are: Ola L. Prince, of Guthrie, Okla; Hallie Krouse of Anamosa, Ia; C. C. Logan of Modoc, Kan; Cora. E. Logan of Tarrington, Wyo.; Roy Logan of Powell, S. D.; and Lester Logan of Los Angeles, Calif; a daughter-in-law, Mrs. Ida Coates Logan, of Lineville, and a son-in-law Charley W. Smith of Corydon, Ia. There are 17 grandchildren and 12 great-grandchildren and a host of friends and other relatives who will miss her Christian influence.

(Note by RRC : Several typos - I suspect "circular" should be secular; "Tarrington" should be Torrington; "ttraining" should be training; "whiche" should be which; based on other sources, Rachel & William were married in 1873, not 1872.)

A businessman, Mr. Logan owned and operated McClimans and Logan (a coal, grain, feed and mill company) and Logan Implement Co. He also was co-owner of Barr & Logan Oil and of a chain of Rexall Drug stores in Kansas City and Denver. In the 1940s, he learned to fly and purchased a four-seater, single-engine Navion plane that helped him attend to his various business ventures. After 35 years of selling Case machinery, he retired as an implement dealer in May 1966. On Oct. 2, 1968, he held a sale and closed his Leoti offices and elevators. In January 1969, he wrote his first contract as an agent for Jayhawk Insurance Co. Also involved in law enforcement, he had served as undersheriff of Wichita County, was a special agent of the National Intelligence Service and was a U.S. deputy marshal, helping to transfer prisoners between high security prisons and for

deportation from the United States.

He was an active member of First Baptist Church in Leoti and in the Gideon's International until his health restricted his involvement. He loved American history, restoring old steam engines, plows, tractor and threshing machines, and was featured in a film, "When Steam Was King," for which J.I. Case filmed him plowing a field just north of Leoti with a restored Case steam engine and a 10 bottom plow. He also participated in the steam engine shows in Bird City and often drove one or more of his restored steam engines and tractors in the parades in Leoti. He also enjoyed hunting, including deer and elk in Colorado and pheasants, geese and ducks, and arrow hunting with his grandson.

DEATH OF PERRY STAFFORD.

Perry Stafford was born in Morgan county, Ind., January 26, 1836, and died at Smith Center, Kans., June 19, 1912. His father died when he was but four years old and at the age of five he moved with his mother to Des Moines, Ia. In 1871 he bought a farm in Appanoose county, 1a., and was married to Margaret I. Logan. They made this their home until 1879, during which time three children were born to them; Estelle. J., who died in infancy, and John S. and Hattie C. who are still living. In 1879 they moved to Smith Center, where they have since resided. Two children were born here; Fannie C. and Nellie P.

Mr. Stafford is survived by his wife and four children. The names and addresses of the children are John S., Baldwin, Kans; Mrs. Hattie Starbuck, Powell, S. Dak; Mrs. Fannie Surbrook, Powell, S. Dak., and Mrs. Nellie Wilkerson, Cherokee, Okla.

The deceased was well and favorably known in this community. He was a good and upright citizen; a man of integrity and honesty and a christian gentleman. For the past few years he was a sufferer from a disease of a dropsical nature and has lain at the point of death for several weeks.

The funeral services were held this morning at 10 o'clock by Rev. W. J. Meredith, former pastor of the M. E. church in this city, who delivered a
touching sermon from Matt., 24-44: "Therefore be ye also ready, for in such an hour as ye think not the Son of man cometh." The body was interred in Fairview cemetery near this city. The family and relatives have the sympathy of all.

STURDY PIONEER AT REST

Lived on His Unincumbered Homestead Fifty-Three Years

The thing we call death, and which is the end and common lot of all, came to S. L. Logan, sturdy pioneer and landmark for more than half a century in the vicinity four miles northwest of this city, Thursday night. He had been in failing health for quite awhile with heart trouble and other ills incident to old age. Funeral services before a large crowd were held in the local Presbyterian church, Sunday afternoon, Rev. Faurot being in charge. Burial was in Fairview cemetery.

The deceased was a man of wonderful grit, courage and tenacity of purpose, and though he went through life with but one hand ((the other he lost in eary youth) he was always busy, and practically all his hours during the last 53 years of his life were spent upon his farm that he homesteaded in 1874. And during all that time be was perfectly sound financially, never venturing into debt. His farm was held unincumbered by a mortgage, nor did he ever owe anyone except on one occasion a few years back when his money was tied up by the failure of the Farmer's bank at this place, and he had to borrow a small sum for a short time to tide him over the pinch.

Samuel L. Logan was born at Ottumwa, Ia., December 9, 1850, and died at his home near Smith Center, Kansas, May 12, 1927 at the age of 76 years, 5 months and 3 days. Two years after coming to Smith county and securing a homestead, he was married to Mary Isabell McNair, who with seven of the nine children born to them, survives.

The children are Arthur, Mrs. Edith Goble, Mrs. Laura Kindred, Earl and Charles of Smith Center; Mrs. Edna Hutchinson of Spirit Lake, Ia., and Mac of Colony, Kans.

The deceased was converted to God when 14 years old, and united with the Presbyterian church in Centerville, Ia. When the Smith Center Presbyterian church was organized shortly after he arrived here he became a charter member and was ordained an elder, a position he held until his death. He was always active in the church, serving as superintendent of Sunday school and also teacher.

(Note by RRC: Several typos - " unincumbered" should be unencumbered; "((the other he lost in eary" should be (the other he lost in early; from another source, I have his wife's middle name as Isabelle, not Isabell.)

Obituary of Mary Isabelle (McNair) Logan, ID = 13534

(Transcribed by RRC from a photocopy of the original article submitted to me by Mildred Tindall; the obit was probably published in the Smith County Pioneer, Smith Center, KS.)

After a rather lengthy illness, Mrs. Sam Logan died last Saturday in the vicinity of the farm a few miles northwest of this city that had been her home for the greater part of her long life and where she and her husband reared their large family of children. Funeral services were held, Monday, afternoon, in the Smith Center Presbyterian Church that she had served faithfully ever since its establishment in the early seventies. Pastor Ira N. Faurot officiated as minister and burial was in Fairview cemetery by the side of her husband who preceded her in death ten years ago.

Mary Isabelle McNair, eldest daughter of George W. and Martha Ann McNair, was born in Whiteside county, Ill., April 22, 1858, and died at the home of her daughter, Mrs. Edith Goble, near Smith Center, Kans., on May 22, 1937, at the advanced age of 79 years and one month. At the age of 13 years she came to Kansas, the family locating on a homestead four miles west of Smith Center where she grew to womanhood. For a number of years she was a teacher in Smith county schools, and on May 21, 1876, she was united in marriage to Samuel L. Logan. The ceremony took place in the Beaver Valley school house with Dr. Albright as officiating minister.

To this happy union came nine children, the following surviving:
Arthur Logan, Mrs. Edith Goble and Mrs. Laura Kindred of Smith Center; Mrs. Edna Hutchinson of Esterville, Ia.; Samuel L. Logan, Smith Center; William E. Logan of Mesa, Calif.; Charles T. Logan of Esterville, Ia. Two daughters died in infancy. The husband and father died on May 12, 1927.

Mrs. Logan was converted and joined the Presbyterian church in Illinois, and transferred her membership to the Smith Center church, of which her husband was also a loyal member and supporter. Both taught Sunday School classes for fifty years continuously, and were always present at services, be the weather good or bad. Their children were truly all brought up in the nurture and admonition of the Lord, for it was a home where the Word of God was read and family prayer offered twice each day. More than 47 years ago, Mrs. Logan organized the first children's Missionary Band in the church, and for years her work was largely in the junior department. She was especially active in missionary work, ever giving generously of both her time and means.

Her Christian faith was consistently manifested day by day, for she had a rich knowledge of God's Word and counted it a blessed privilege to teach it. During her last illness she received many letters from those once members of her classes containing kind words of testimony as to what her teaching and upright life had meant to them.

Besides the children mentioned above, Mrs. Logan is survived by two sisters, Miss Nellie McNair of Denver, Colo., and Mrs. Will Farris of Carpenter, Wyo., and three brothers, G. W. McNair of Maywood, Calif., Frank McNair of Corbin, Kans., and John McNair of Portland, Ore. There are also 28 grandchildren and 9 great grandchildren.

(Note by RRC: Based on other sources, Charles "T." Logan should be Charles F. Logan; "Esterville" should be Estherville.)

Obituary of Thomas Arthur 'Art' Logan, ID = 135341

Thomas Arthur Logan
Rites Held Saturday

Memorial services for Thomas Arthur Logan were held from the Presbyterian church in this city last Saturday, Oct. 8, at 2 p.m. with the pastor, Ira N. Faurot, officiating. Burial was in Fairview cemetery.

Thomas Arthur Logan, son of Samuel and Isabel Logan, was born on a farm northwest of Smith Center, on June 14, 1878, and died at St. Joseph hospital at Concordia, Oct. 6, 1955, at the age of 77 years. He grew to manhood on this same farm and attended school at district No. 139, the ground for the school being given out of his father's farm.

His parents were early pioneers and helped establish the Presbyterian church at this place and Art was baptised and attended church here.

He was united in marriage to Lillie Richards on Aug. 15, 1907 and to this union were born two daughters, Lottie and Eva, and they together with the wife survive. The daughters, Mrs. Lottie Blazer and husband and five children and Mrs. Eva Albright and husband live in California.

The immediate family who survive are: Mrs. Edith Goble of Smith Center; Mrs. Edna Hutchinson of Estherville, Iowa; Mac Logan of Estherville, Iowa; Earl and Charley Logan of LaMesa, Calif.; and a sister and her husband, Mr. and Mrs. Ballou, Huntoon, Oklahoma.

Attending the services from a distance were: Mr. and Mrs. J. E. Ballou, Mr. and Mrs. Frank Ballou and daughter, Hazel, Huntoon, Okla.; Mr. and Mrs. Mac Logan, Mr. and Mrs. Frank Hutchinson and Mrs. Odney Ness, Estherville, Iowa; and Dean Logan, Wichita.

(Note by RRC: In this obit Thomas' mother's name is given as "Isabel" - from other sources, I have his mother's 1st & middle names as Mary Isabelle.

A typo - "baptised" should be baptized.

I suspect "sister" should be sister-in-law - there is evidence elsewhere that the Mr. & Mrs. J. E. Ballou mentioned in this obit are John Eldridge Ballou & Lottie (Richards) Ballou and that this Lottie was a sister of Lillie (Richards) Logan, Thomas' wife.

I suspect "Odney" should be Aadne. I don't know what the 1st letter of the last name of Odney is in the obit - it was written-over in ink with an N.)

Stanislaus County Teacher of Year recipient dead at 70

BEE STAFF REPORTS

Mildred Merle Dillman of Turlock, who was honored as Stanislaus County Teacher of the Year in 1985, died April 11 of natural causes at Emanuel Medical Center. She was 70.

Ms. Dillman was born Nov. 2, 1931, in Dodge City, Kan. She lived in Turlock 39 years.

She attended school in Cimarron, Kan., and received her degree from the University of Northern Colorado in Greeley. She earned a master's degree at the University of the Pacific.

Ms. Dillman taught at schools in Wray, Colo., and Red Bluff before she began teaching English at Turlock High School in 1962. She also taught at California State University, Stanislaus.

After she retired from teaching in 1994, Mrs Dillman became active in the Stanislaus Wildlife Care Center. She was a member of P.E.O. and Delta Kappa Gamma. She also served as a member of the 2001-02 Stanislaus County civil grand jury.

In 1985, when she was at the height of her teaching career, Ms. Dillman said there were three philosophies of education: a conscious one, composed to a great extent of gleanings from courses and the teacher's own moral and ethical standards; an applied philosophy observed by colleagues and parents; and a philosophy transmitted to students by daily example in actions that the teacher may be unaware of.

"The truest is probably the third — the hidden curriculum that students will sometimes reveal to the teacher in private conversation" she said.

"The product I want to see at the end of the high school years is a young adult who is respected and honest, who is able to think critically, who is not afraid to laugh and who is in control of his own life"

Ms. Dillman is survived by her sisters, … of Sacramento, … of Richmond and … of Mound, Minn.

A funeral service will be at 4 p.m. Wednesday at First United Methodist Church. Inurnment is private. No visitation. Allen Mortuary in charge of arrangements.

Obituary of Laura Belle (Logan) Kindred, ID = 135343

(Transcribed by RRC from a photocopy of the original article submitted to me by Mildred Tindall; obit was published on 18 Nov. 1943, in Smith Center, Kansas.)

Final Summons For
Mrs. Andrew Kindred

Laura Bell Kindred, daughter of S. L. and Isabelle Logan was born August 30, 1882 near Smith Center, Kansas, and passed away at the home of her daughter, Mrs. Mac Burgess, November 11, 1943 at the age of 61 years, two months and 11 day.

On November 28, 1905 she was united in marriage to Andrew J. Kindred and to this union seven children were born. Elmer and Cecil of Smith Center; Lawrence of Lake Park, Ia.; Logan of Independence, Ia.; Mrs. Mac Burgess of Smith Center; George of Snohomish, Wash.; and Paul, who died in 1928. Her husband passed away in 1926.

Her life was spent in Smith county. She grew to womanhood at the homestead of her father and upon marriage located not far from her old home. From early childhood she attended church and upon confession of her faith was received into the membership of the church at 14 years of age. The distance from church would have made many a sufficient excuse for absence but she and her family have made the trip regularly and much of the time back at night for the evening service. As her absence will be so real in the home, so she will be missed in the church and community where she served with loyalty.

Besides the children of the family she leaves two sisters and brothers, Arthur Logan and Edith Goble of Smith Center, Kans.; Earl and Charles Logan of LaMessa, Calif.; Mrs. Frank Hutchinson and Mac Logan of Iowa; and three grandchildren, Sharon Burgess, Florence and Clarence Kindred. These with a large number of relatives and friends unite with the family in their sorrow.

Last rites were observed in the local Presbyterian church, Sunday afternoon at two o'clock, Rev. I. N. Faurot officiating. Interment was made in Fairview cemetery.

Mrs. Larry Kindred
Interred Monday

This community was saddened in learning last week that Mrs. Larry Kindred of Emmett, Idaho, had passed away suddenly on Wednesday afternoon, Nov. 30. The Kindred family are former residents, and have many relatives and friends in this community.

The passing of Mrs. Kindred was the first death among the twelve children of Mrs. Birthie Ihnen of Lake Park.

Rena Elizabeth Ihnen, youngest daughter of the late Albert Ihnen and his wife, Birthie Fechter Ihnen, was born on September 28, 1918 in Osceola county, near Harris, Iowa. She was baptised into the Lutheran faith in early infancy in the Lutheran church at Harris, where also she was confirmed in 1932. On September 27th in 1936 she was united in holy wedlock to Lawrence Kindred in St. Paul's Lutheran church at Hartley. This union was blessed with four children, one of whom, the eldest, Gary, died in infancy.

Mr. and Mrs. Kindred lived successively on two farms near Lake Park until 1943, at which time they moved to the vicinity of Emmett, Idaho. Two years later they moved to the town of Emmett, where Mr. Kindred entered the canning business.

Though the deceased had suffered from a heart ailment some years ago, it was thought to he only slight and temporary, and she was apparently in the best of health last Wednesday when her husband left for work and the children for school. But when the children returned from school in the afternoon they found her slumped to the floor, the victim of what was later diagnosed to be a brain hemorrhage. The Lord of life and death had very suddenly summoned her from this vale of tears to Himself in heaven at the youthful age of 31 years, 2 months and 2 days.

She leaves to mourn her passing, her sorrowing husband; three children, Florence Jean, 9, Clarene June, 6, and Larry Lynn 4; also her mother Mrs. Birthie Ihnen of Lake Park; seven brothers Henry of Lamberton, Minn., Fred and Reed, both of Parkers Prairie, Minn., Harry of Glenwood, Minn., Raymond and Ben, both of Lake Park, and Vernon of Everly; also four sister, Mrs. Elsie Dopp of Melvin, Mrs. Maggie Brueggeman of Harris, Mrs. Sadie Morfitt of Worthington, Minn. and Mrs. Ethel Jager of Hartley; as well as more than 40 nieces and nephews and a host of friends and acquaintances.

The earthly remains of Mrs. Kindred were shipped to Lake Park where funeral services were held in the Methodist church at 2 o'clock Monday afternoon, Dec. 5. Rev. M. J. Ansorge, pastor of the Lake Park Concordia Lutheran church, officiated at the last rites.

Mr. and Mrs. Marvin Baumgarn, Mrs. Loren Laufman, Donna Ihnen, Sharon Kreisel and Rev. Ansorge sang "Asleep in Jesus" and "Abide With Me."

Pall bearers were Darrel Wells, Adolph Arp Jr., Eldon Jansen, Larry Rodenberg, Marvin Brandt, and Elbert Clark.

Interment was in Silver Lake cemetery beside her son.

(Note by RRC: Based on a photocopy of her marriage certificate, she & Lawrence were married on the 26th, not the 27th. A typo - "sister" should be sisters.)

Obituary of Juanita Marjorie 'Nita' (Miner) Smith, 13534421

(Partially copied from an obit found online at iagenweb.org; obit posted by Merllene Andre Bendixen; obit was published in the Estherville Daily News, Estherville, IA, 26 March 2012.)

Juanita Marjorie "Nita" Miner Smith 1933-2012

ESTHERVILLE - Funeral services for Juanita "Nita" Marjorie Smith, 79, of Estherville will be held 2 p.m. Tuesday, March 27, 2012, at Henry-Olson Funeral Chapel in Estherville with Pastor Gwen Mader officiating. Interment will be at East Side Memorial Cemetery in Estherville.

Juanita "Nita" Marjorie Smith passed from this life Thursday morning, March 23, 2012, after a long struggle with Alzheimer's. While the disease sidetracked Juanita's plans in life, it failed to diminish her ability to bring out the best in others and it never took her love of music.

Nita was born on Jan. 28, 1933, in the same bedroom as her father before her, in the family farmhouse southwest of Superior. She was the first child born to Hiram Victor "Vic" and Marjorie Isabel (Hutchinson) Miner. Hiram chose the name Juanita for his daughter because he liked the famous Spanish love song "Nita, Juanita". Nita's maternal grandparents lived in the same home, so she grew up surrounded by family. By her own admission, she was delightfully spoiled, having armloads of dolls, several sheep and a pony.

After the death of her mother in 1947, Nita retreated to the warmth and love of the home of Orville "Abe" and Altamae Smith. After graduating from Superior High School in 1950, Nita married the eldest Smith son... in the living room of her family's farmhouse. As... had enlisted in the United States Army prior to the marriage, he was soon shipped to Germany to serve three years. Nita lived with her sister-in-law and close friend, Ardis. The pair worked for the phone company until... return.

... and Nita made their home in Superior, where... worked first for Northern Natural Gas and later at the Superior Lumberyard. The opportunity to own their own land arrived in 1958 when the young couple's firstborn, a son... was 4 and their second child, a daughter... was due. Two weeks after... birth, ... and Nita moved their young family to a farm south of Presho, S.D. They worked the land owned by Clyde and Goldie Willard of Spirit Lake on shares until 1972 when Nita and ... became sole owners. Nita worked tirelessly on the farm/ranch operation. She provided an unending supply of homemade bread, cookies and pies and took coffee and goodies to the field no less than twice a day. She canned and froze produce from her large garden and the plum trees to help provide for the family.

Nita was active in the local community, serving on the Presho Library Board, leading or participating in all church activities and projects, singing in the church choir and holding membership in Eastern Star. She was a tireless writer - her family would find her at the kitchen table nearly every morning, writing letters to family back in Iowa. She held a secret aspiration to author children's books.

Nita walked gracefully through life dealing with challenges as they arose and enjoying the smallest happiness with gusto. She loved her family without question and was dedicated to bringing out the

best in people. She was an excellent friend. She and ... shared a profound love during their 61 years together. She remembered him to the end and would visibly brighten at his presence.

Nita was preceded in death by her son Michael (2003), mother Marjorie (1947), Father Victor (1991) and stepmother Genevieve Rowe (2007). She is survived by her husband... daughter... grandchildren... and great-grandchildren... Juli ..., mother of Nita's grandchildren... remained a loved and significant person throughout life. Also surviving are sister... brother... and half-sisters...

Obituary of Jerome Lee 'Jerry' Smith, 13534421

(Partially copied from the Estherville News, Estherville, IA, 29 March 2017, online.)

Jerome 'Jerry' Smith
April 4, 1929 - March 28, 2017

Funeral services for Jerome 'Jerry' Smith, 87, will be held 10 a.m., Saturday, April 1, 2017, at the Henry-Olson Funeral Chapel in Estherville. Interment will be at East Side Memorial Cemetery, Estherville, with military graveside rites VFW Post 3388 and American Legion Post 91 of Estherville.

Visitation will be from 9a .m., Saturday until the time of service at the funeral home chapel in Estherville.

We've lost a great man - a great storyteller.

Jerome Lee "Jerry" Smith was born April 4, 1929 in the home of his parents Orville Verlan "Abe" Smith and Altamae Hattie (Aalborg) Smith. He moved from this life to the next on March 28, 2017, surrounded in constant comfort by family, hugs, stories, laughter and great views of trees and the South Dakota blue sky. He was peaceful, happy and smiling.

Jerry spent his childhood days on farms worked by his father across northwestern Iowa. During high school, he met and married the only woman in his life, Juanita Marjorie Miner. Nita said Jerry was kind of the "bad boy" - driving a fast car complete with big fins and spark plugs in the tail pipe that shot flames. Not necessarily the guy you wanted your daughter dating. Nita was smitten with him. They married in 1950 and remained true to each other for 62 years. To that partnership, two children were born...

Jerry worked for Iowa Natural Gas as a welder and helped manage Superior Lumber Yard (Iowa). As the Korean War began, Jerry rounded up his local friends and enlisted. The boys of Company B Signal Corp remained together for 3 years in Kelly Barracks, Stuttgart, Germany. They and their families became family, holding annual "Army Reunions" since the 1960's.

Jerry dreamed of owning his own land and possessed the one-track mind to make it happen. Clyde & Goldie Willard (Spirit Lake, Iowa) agreed to sell their farm/ranch south of Presho to Jerry & Nita-if the young couple would work it on shares until the Willards' death. Jerry took that promise and moved his young family to the middle of South Dakota in the dead of winter, 1959. Their dream of land ownership became reality in 1971. Jerry & Nita worked the land tirelessly-he loved the smell of the soil, the taste of hard red winter wheat as it filled the combine, the feeling of accomplishment when the fields were ready and the sight of a pasture full of newborn Angus calves.

Jerry's deep sense of community led him to plant and support many projects. He was a leader and active member of the Presho Jaycees, the United Methodist Church, Grange, American Legion Post 89, the VFW, 89, school committees, bank boards and a 32nd degree Master Mason and member of Western Star Lodge. Jerry quietly joined with Harry and Gloria Perry to purchase Hilton Lumber and gradually transferred ownership to Paul and Wanda Sweeney. He bridged the gap between owners of RediMix cement. Jerry was part of the energy behind building the United Methodist Church and the gymnasium. He also helped build strong foundations for his future grandchildren, insisting his own kids had the advanced schooling he knew was vital. With his time, encouragement, advice and resources, he saw needs and helped many people, quietly and privately. Jerry left South Dakota a better place, leaving a legacy through stewardship of the soil, feeding of families through farming and ranching and the planting of shelterbelts and thousands of trees.

In his spare time, he loved flying his Cessna 172 and rebuilding old tractors and pickups. Jerry was a great storyteller. He told stories we enjoyed. We liked the way his eyes danced blue as the story unfolded. He knew the exact moment to deliver important details, drama, BS, and laughter. Jerry was a tenacious man. He was consistent, persistent, determined, loving, loyal and stubborn.

Meeting Jerry in the next world is his only love, Nita; his son Mike; parents Abe and Altamae; sister Verla.

Left to tell his stories are daughter... grandchildren... great-grandchildren... siblings...

We are left with his stories and his legacy.

Obituary of Truman Dale Logan, ID = 1353472

(Partially copied from the Sunnyside Little Chapel of the Chimes Funeral Home website.)

T. Dale Logan
1922 - 2016

Truman DALE LOGAN was born in Colony, Kansas to Samuel McNair Logan (Mac) and Barbara Ann (Williams) Logan. His parents' 100th wedding anniversary would have been this year on April 19, 2016. Dale was the 2nd of 6 children, 5 boys and 1 girl. Their birth order was Dean, Dale, Edith, John, Sam and Glen. Dale's only surviving sibling is Glen, who resides in Idaho and is 10 years younger than he. They lived in Colony, Kansas on a farm until Dale was about 6 years old, but he always remembered it...The family left Colony for Smith Center in the spring of 1928...They started a reunion tradition getting back together every 3 years or so as their families grew and as they scattered geographically...

Dale graduated from Smith Center High School in 1940. He attended one semester at Estherville Junior College. In 1941 they left Smith Center and moved to Estherville, Iowa; Dale was 19. His Dad continued to farm until retiring in 1951. They then moved into town where his dad worked as a hotel clerk at the Gardston Hotel until the death of his wife, Barbara... Dale's mom died on his birthday, Feb 11, 1967. His dad eventually found himself back at Smith Center, living at a hotel when he ran into a girl (now a 'mature' woman) that he apparently had been engaged to way back when. It's not clear what happened back then, but they had a falling out, with Elva's brother somehow involved. It was well known Elva's brother did not like Mac. But he was now deceased, she was widowed, and the timing was right! Elva and Mac married November 23, 1971 and headed out west to visit his sons on their honeymoon. When they showed up at Dale's place, Mac was all styled up wearing a lavender shirt, purple tie and you couldn't have slipped a piece of paper between the two of them. He was 77 years old. He and Elva had 4 great years before he died on July 23, 1975. Elva was a wonderful woman who later died Sept 26, 1987.

Dale left home in 1942, headed for Wichita and worked for Boeing for little over 8 months. But he was anxious to get in on the War. He and his buddy went to enlist in the Navy. Again his old friend popped up. Color Blindness…His buddy was accepted. As Dad said in a letter written at the time "They caught me as color-blind as an old hoot owl!" So then he decided he would try and get in Army Air Corp, and lucky for him his mom was in town and could sign her consent to let him go!

And go he went. They whisked him off faster than he was prepared for, and thus began 4 years in the service of our country...

... at end of the evening he happened to dance with Doris... They were married May 24, 1945 and moved into a little house on some farm land Doris's dad had...

... during those working years they raised 2 children...

Obituary of Darlene Della (Vigdal) Logan, ID = 1353474

(Copied from the Fairmont Sentinel, Fairmont, MN, 25 Sep 2006, online.)

Darlene D. Logan

ESTHERVILLE, Iowa - Services for Darlene D. Logan will be 10:30 a.m. Wednesday, Sept. 27, 2006, at Wallingford Lutheran Church in Wallingford, Iowa, with Pastor Ted Rieke officiating. Interment will be in Armstrong Grove Cemetery in Armstrong, Iowa. Visitation will be 4-8 p.m. Tuesday at Henry-Olson Funeral Home in Estherville.

Darlene Della Vigdal was born May 10, 1927, on a farm northwest of Armstrong, Iowa, to John Ernest and Anna Fredricka (Helmers) Vigdal.

She and her family lived on this farm until she was in the 4th grade, when they moved to a farm one mile west of Dolliver, Iowa. She attended Dolliver schools until she graduated in 1944. After graduation she moved to Estherville, Iowa, and attended one semester at Estherville Junior College. She worked for Joe Hoye at Rexall Drug. While serving milk shakes to customers, Darlene met her husband-to-be, John A. Logan. During their courtship, Darlene discovered that John was an excellent skater, but did not know how to dance. With the help of her friends, Darlene soon remedied that. Darlene and John were united in marriage on June 5, 1946, on the river bank in Jackson, Minn., while John was home on a three day pass from the Army. After John's honorable discharge from the service, they lived for a short while in the lower apartment of the Sternberg Funeral Home. In 1948, they began farming east of Terril, Iowa, in Twelve Mile Lake Township and eventually moved to the Berg farm, where they lived until January 1963 when they again moved to a farm on the northeast edge of Wallingford, Iowa. In August, 1967, they retired from farming and moved to Estherville, Iowa, where she lived until her death.

She was a member of the Wallingford Lutheran Church, was active in Ladies Aid, taught Sunday school for many years, and attended church Bible study. She was also a member of the VFW Ladies Auxiliary, Post No. 3388 in Estherville, a volunteer with the Holy Family Hospice program, Friendship Bible Coffee, Christian Womens Club and monthly Prayer Coffee group. Darlene enjoyed gardening, walking in her garden, dancing, story telling, preparing meals for her family, reading, playing cribbage, watching the Cubs, Twins and the Vikings on television. She faithfully followed her children, grandchildren and great-grandchildren's activities. Her family will remember their mother, grandmother and great-grandmother for her warm and loving embrace and her continued faith in the Heavenly Father. She truly lived by example, putting her faith and family first. On September 16, 1988, Darlene's husband, John died suddenly after 43 years of marriage. Her strong faith helped her to continue to live life to the fullest. Through her later years, she was blessed to have the friendship of her dear friend, Don Richards. Together they enjoyed going dancing, playing cribbage and watching ballgames on television together. In May of 2002, Darlene suffered a stroke, but remarkably recovered and resumed all of her activities. In December of 2005, she was diagnosed with terminal cancer and chose to live her final days at her home with her family and friends close by. Darlene died peacefully Saturday, Sept. 23, 2006 at Holy Family Hospital in Estherville, Iowa. She was 79 years of age.

Those who cherished her life include her five children: Dennis Logan and special friend Carol Ann Gleason of Belvidere, Ill.; Sheri (Larry) Jensen; Pat (August) Von Behren; Bobbi Jo Dalen and special friend Scott Still, all of Estherville, Iowa; and John Logan and Rose of Armstrong, Iowa.; 12 grandchildren; 23 great-grandchildren; two brothers, Duane ‘Ole’ (Wilma) Vigdal of Fairmont, Minn., and Garry (Bernice) Vigdal of Armstrong, Iowa; special friend Don Richards of Estherville, Iowa; and many nieces, nephews and cousins.

She was preceded in death by her parents, John and Anna Vigdal; her husband, John Logan; two sisters, Phyllis Vigdal and Joanne Vigdal; one brother, John Vigdal; one daughter-in-law, Sandra Logan; and two infant great-granddaughters, Della and Jayden Logan. Blessed be their memory.

Obituary of Amanda Lucretia (Logan) May, ID = 13535

(Transcribed by RRC from a photocopy of the original article in the Smith County Pioneer, Smith Center, KS, 16 Sept. 1915.)

Mrs. F. M. May is Dead.

After a decline in health of about a year, death claimed Mrs. F. M. May Sunday at her home three miles northwest of town. The sad news took many people by surprise, as it had been only a week or so before that Mrs. May was in this city to attend to business matters. She had lived continuously on the farm where she died for a period of thirty-nine years. Funeral services will be held this afternoon at the family home, Elder Link Drummond of Norton to deliver the sermon. Burial will be in Fairview cemetery.

Miss Amanda Logan was born in Appanoose county, Ia., November 19, 1852, and died at her home near Smith Center, Kans., aged 62 years, 9 months and 22 days. In the winter of 1875 she was married to Frank M. May and the following spring the two settled on their homestead in this township. To them were born eight children, there names and postoffice addresses being as follows: Walter H., Bend, Ore; Mrs. Neppie Gardner, Republic, Wash.; Mrs. Tressa Johnson, Tyler, Mont.; Fred and Harry, still at home; Miss Hattie May, Kamloops, B. C., Canada; Sevier and Ethel, still at home. Besides these there are three step-children; Mrs. Henry Peck, this city; Arthur May, somewhere in Oregon, and Mrs. Bell Headley, Kamloops, British Columbia, Canada. Brothers and sisters, as follows, also survive: W. B. Logan, Corydon, Ia.; Mrs. M. I. Stafford, Sam and R. C., and Mrs. John Goodale of this city, and Mrs. H. E. Coats, Franklin, Nebr. The aged husband, blind and quite feeble, to whom his good wife was a trusty staff to lean upon, is also living, and it is he who will miss her more than any other.

Mrs. May was a most worthy, loyal, christian woman and will be sadly missed in this community. As one of the pioneers of this county and the mother of a large family, her lot was necessarily a hard one, but she was never one to complain. Even at the last when she knew that her time to go was nigh, it was not her own condition but the thought of leaving her almost helpless husband that worried her. Her loving devotion to him after he became afflicted with blindness was at all times a source of kindly comment from everybody who met them. Her removal is indeed a hard blow to the family and the earnest sympathy of the entire community is extended them in this their hour of sorrow and bereavement.

(Note by RRC: Based on other sources, I have the stepson Arthur May as James Arthur May & the stepdaughter Mrs. Bell Headly as Mary Belle (May) Miller; Amanda's husband, Francis Marion 'Frank' May, was married 1st to Amanda's sister, Mary; his obit appears earlier at ID = 13531.)

Obituary of Katherine Mae (Egeland) Johnson, ID = 135353b

(Partially transcribed by RRC from a photocopy of the original article in the Great Falls Tribune, Great Falls, MT, Sunday, 4 May 2014, section M - page 3; her photo is not included here.)

Katherine M. Johnson

LEWISTOWN - Katherine Mae (Egeland) Johnson 87 of Lewistown passed away Thursday evening, May 1st, 2014 on natural causes in a Lewistown Assisted Living Facility, where she had made her home since October 2013.

Katherine was born May 29, 1026 in Lewistown to Gust & Marie (Indebro) Egeland. The family lived in the Dovetail, Blood Creek and Black Butte areas until 1928 when they moved to Forest Grove. She attended grade school in Forest Grove from 1932 until 1935 when the family moved to Lewistown. She attended Garfield and Lewistown Jr. High, graduating from Fergus High in 1944. She obtained her teaching certificate the summer of 1944 at Billings Normal School and taught at Salt Creek and Glengarry schools from 1944 through 1946, then substituting at Tyler, Jasperson and Flatwillow schools through the years.

She married the love of her life, Norman "Bonnie" Johnson, on July 15, 1946. They spent 40 years ranching and raising kids, retiring to Lewistown in 1986. She always claimed to be a city girl who grew up at the swimming pool, babysitting and going to movies; we knew her as the night calver, the swather, a fencer, a weed sprayer, the cook and a ranch wife. Her passion was being creative, making wedding cakes, her Christmas cards, drawing sketches, painting, sewing quilts or watching clouds.

But her absolute love was her family, and if you were her friend you were a part of her "clan". Although she could be a worrier, she viewed life as being fairly simple, and would share that view (and advice) through her wit and humor. Her last (and recent) quote being, "you know, this isn't anything God and peanut butter can't fix".

Mom was very lucky to have two great men in her life. Dad passed away in 2002. Several years later she rekindled a friendship with Ed Stanley, who she shared her life with for six years.

Katherine is survived by one son... one daughter... one sister... granddaughters... great grandson... extended family... and numerous nieces and nephews.

She was preceded in death by her parents, her husband and friend Ed Stanley.

Obituary of Robert Cottle Logan, ID = 13536

(Transcribed by RRC from a photocopy of the original article in the Smith County Pioneer, Smith Center, KS, 17 Dec.1931.)

PASSING OF HOMESTEADER
Was Long a Landmark of Smith Center and Vicinity

R. C. Logan, 1873 settler of this vicinity and a familiar character in all the 58 years afterward, passed to that bourne from which no traveler ever returns, Monday, after failing health for a number of years from diabetes. Funeral rites were held Tuesday afternoon in the local Presbyterian church, of which he had long been a member and staunch supporter, in the presence of a large crowd of relatives and warm friends. Burial was in Fairview cemtery (sic) by the side of his wife who died in 1925. Rev. Faurot, who officiated at the funeral, kindly furnishes us the biographical sketch below:

Robert Cottle Logan was born April 14, 1854, in Centerville, Iowa into a family of Mr. and Mrs. Arthur Logan, who were early pioneers of that state. He was sixth of a family of eleven children of whom only two sisters, Mrs. Laura Goodale of Smith Center and Mrs. Elizabeth Coates of Franklin, Nebr., survive. Two brothers, Will and Samuel Logan, and one sister, Mrs. Belle Stafford, have died in recent years.

Like their parents, the children were mostly of a pioneering spirit. While still young men, Robert C. Logan and the late Samuel Logan came to Smith county and took up homesteads. Their first trip to Smith county was in 1873, and they were soon followed by their mother and two sisters, most of whom remained. Robert C. Logan took a homestead five miles northwest of Smith Center and he lived on the homestead or in the near vicinity for more than a quarter of a century before moving into Smith Center in 1906 to spend the remainder of his life.

Mr. Logan was married in 1878 to Mary J. Long, who had come two years earlier than he to Smith county with her parents. Before the death of Mrs. Logan in 1925 they were one of the oldest couples of pioneers in Smith county. They were the parents of nine children, of whom seven survive. In order, the children are Ralph, of Torrington, Wyo., Mrs. M. R. Church, Osage City; Robert H. (Bert) of Santa Monica, Calif; Boyd T., Dallas, Texas; Mrs. Sherman Mathis, Smith Center; Mrs. Herbert Fryback, Colby, and D. R. Logan of Salina. Two sons, Clarence and Frank, preceded their father in death.

Mr. Logan became a member of the First Presbyterian church of Smith Center in 1906 and he had ever since been a faithful attendant and supporter of the church in every way. He was a man of strong and fixed opinions, who, having chosen his course, was difficult to swerve. For many years he took a deep interest in political matters. He was postmaster at Smith Center for about nine years, having received two commissions during the administration of President Woodrow Wilson.

Mr. Logan's death, December 14, 1931, followed an illness of several weeks when a chronic affliction of diabetes became acute. His death occurred at the home of his daughter, Mrs. Sherman Mathis, where in his final days, be had received every possible care and attention. In his final illness he early realized that the end was near. He was reconciled to his fate and watched the approach of death without fear. So closed, in peace and resignation, a vigorous life of nearly 78 years.

Her closing testimony was indeed glorious in the christian faith.

Mrs. Ralph Logan Laid to Rest.

A large and sorrowing crowd attended the funeral of Mrs. Ralph Logan, which was held in the Methodist church in this city last Friday afternoon at 2 o'clock. The services were in charge of the pastor, Rev. L. O. Housel. Burial was in Fairview cemetery.

OBITUARY.

Sadie Elizabeth Osler-Logan was born April 7, 1881 in Pawnee City, Nebr., and died November 26, 1911 in Christ hospital, Topeka, Kans., surrounded by her devoted husband and other relatives. Her age was 30 years, 7 months and 19 days. She and Ralph Logan were united in marriage June 10, 1903, and to them were born three children. They are, Gertrude Irene, born April 3, 1906; Homer Ralph, born November 22, 1907, and Fay Pearl, born May 27, 1911.

The deceased united with the First United Presbyterian church, in her youth at Pawnee City. In 1897 she joined the Methodist Episcopal church in this city under the pastorate of Rev. J. L. King. She lived an unselfish life, always thoughtful of others and delighted to make them happy and comfortable. She was a kind, loving mother, and loyal, faithful wife. Surviving her are her husband and three children; her parents, Mr. and Mrs. W. A. Osler; two sisters, Miss Rose and Mrs. E. W. Luse, and her brother, Clyde, besides her husband's people and scores of friends.

The sunset of Mrs. Logan's life was sunrise in heaven. She was taking no medicine to benumb the body or cloud the intellect, and before dying she declared herself peaceful and happy and she declared she saw Jesus in the room as her spirit left her body. Her closing testimony was indeed glorious in the christian faith.

(Note by RRC: In most of the records I've seen, "Fay Pearl" is Faye Pearl.)

MRS. RALPH LOGAN VERY LOW.

Mrs. Ralph Logan is lying almost at death's door in Christ hospital, Topeka, with kidney trouble. She was taken there last Friday, and an operation performed in which one of her kidneys was entirely removed. She did not rally as hoped for, and the report at this hour is that she has but a very slim chance for recovery. Her brother-in-law and sister, Mr. and Mrs. E. W. Luse, left last night to be at her bedside.

MRS. RALPH LOGAN GONE.

Ralph Logan and three young children have the heartfelt sympathy of all our people in the great sorrow that came to them Tuesday through the death of the loving wife and mother. Mrs. Logan suffered much before death came to her relief. She had been afflicted all summer with a kidney complaint, and no remedy seemed able to cope with the trouble. A week ago she was taken to Christ hospital, Topeka, for a surgical operation, and for a time afterwards it was thought her chances were bright for recovery.

Monday, however, she began to sink rapidly and passed away Tuesday afternoon. Her body arrived here last night, and funeral services will be held at the Methodist church in this city at 2 o'clock tomorrow (Friday) afternoon. Burial will be in Fairview cemetery. We hope to have her obituary for publication next week.

Mrs. Irene Logan Taken By Death; Services Held Monday

The dark clouds of grief hover over Lyman folk following the departure by death of Mrs. B. E. Logan, better known as Irene Logan, at the Methodist hospital at : Scottsbluff Thursday June 1. All was done that could be possibly done, but disease had gained too strong a foothold.

Quiet and uncomplaining to the end, she slipped over the threshold into the "Great Beyond". She was a woman of cheerful disposition with a lively sense of humor, much loved by those privileged to know her well.

A resident of Lyman for 20 years, Mrs. Logan was born April 3, 1906 at Smith Center, Kan. She was the daughter of Ralph and Sadie Logan and her maiden name was Gertrude Irene Logan. When seven years old she moved to Torrington with her family, attended the Torrington schools, being graduated from Torrington high school and was married to Byron Logan Sept. 29, 1927 at Torrington. After a few years residence in Mitchell, Mrs. Logan came to Lyman with her family in 1930.

She was a charter member of the Belle Rebekah lodge, and served as its first noble grand from Aug. 16, 1936 to Jan. 7, 1937, being active until her death. She had served as a sponsor of the Candlelight chapter of Theta Rho girls the past several years. She joined he Neighborhood club in 1943 and was a continuous member. She was a member of the Presbyterian church since early childhood, having transferred her membership when she moved to Torrington.

Services Held At Torrington

Funeral services were held at the Presbyterian church at Torrington Monday afternoon, where a bank of flowers served as a beautiful background and gave mute evidence of the honor and respect with which the deceased was held.

Mr. Ellwood Beaman of the Lyman Christian church spoke on words as taken from the epistle of First John in which he discussed the natural needs of the body for rest, and the final supplying of rest by death, which is the forerunner of eternal life.

A girts trio composed of Wanda Rukavina, Mrs. Laura Edwards, and Janet McKee sang two numbers, "When the Roll is Called Up Yonder", and "In the Sweet Bye and Bye."

Attending in groups were members of the Rebekah lodge and Theta Rho girls club. Pall bearers were: Burt McKee, Norris Phillips, Rudy Nelson, Irvin Dean, Harry Reents and Roland Dunn. Burial was made in the Valley View cemetery at Torrington, Rebekahs aiding in grave side rites.

Survivors of Mrs Logan are: her husband; a daughter, Mrs. Norma Stoeger of Lyman; her father, Ralph Logan of Torrington; a brother, H. R. “Bud" Logan of Sidney; a step sister, Mrs. Milo Dawson of Cheyenne, Wyo.; and a granddaughter, Glenda Jean Stoeger of Lyman, all of whom were present except the last named.
To those bereft of a loving wife and mother, heartfelt and understanding sympathy is extended in fullest measure. May they have the consolation of beautiful memories.

She is Not Dead

"We cannot say and we will not
say
That she is dead. She is just
away.
With a cheery smile, and a wave
of the hand,
She has wandered into an
unknown land.
And left us dreaming how very
fair
It needs must be since she
lingers there
And you— O you, who the wildest
years
For the old-time step and the
glad return—
Think of her faring on, as dear
In the love of There as the love
of Here.
Think of her still as the same,
we say.
She is not dead — she is just
away.”

Three Wyoming Persons Drown

(By United Prrss International)

Three Wyoming residents, two of them children, were drowned in separate weekend mishaps.

The victims were Glenn Stoeger, 34, Torrington; Ann Colleen Nation, 2, Cheyenne, and Matthew Bower, 4, of Worland.

Authorities were dragging an irrigation canal Monday in search of the Bower boy's body. He apparently fell into the stream on the ranch run by his father, Ray, north of Worland while the family was working on a nearby pump.

Stoeger's body was recovered from Glendo Lake, west of Glendo, Wyo. He drowned Saturday when high waves sank a boat from which he and two other men were fishing.

The others were picked up by another boat. They are Lawrence McClure and Earl R. Shaner of Torrington. Shaner was hospitalized at Wheatland, Wyo., with shock.

The survivors were wearing life jackets, but Stoeger was not.

The Cheyenne girl fell into an open well next to the home of her uncle, Richard Rasmansen, at Scottsbluff, Neb. Her parents, Mr. and Mrs. Lloyd Nation, were visiting there.

The uncovered well hole, which was about six to 10 feet deep, had filled with water during last week's snow and rain.

Rasmansen found the child's body. She had been missing about 15 minutes.

(Note by RRC: Based on other sources, “Glenn” should be Glen.)
